PSYCHOLOGY (516)

Associate of Arts

ABOUT OUR PROGRAM
This program is designed for students who plan to transfer to a senior institution to complete a baccalaureate degree. Among courses in the program are personality development, counseling, and social, clinical, educational, experimental, and abnormal psychology.

NATURE OF WORK AND EMPLOYMENT
Graduates of four-year baccalaureate programs in this major are typically employed as social workers or counselors in civic, health, industrial and governmental agencies, as well as in personnel offices and educational institutions.

SPECIAL CONSIDERATIONS
The listed coursework is a recommendation only. Students should check with a student advisor for HCC graduation requirements and specific university requirements in this major. Students must meet with an advisor to ensure that the special requirements of the department and institution to which they plan to transfer are met. Colleges and universities have specific requirements for transfer students.
