1. **Highland Network**

To access the Highland.edu sign-in page, or logging into one of our campus computer lab workstation for **Moodle, Groupwise, & Netstorage** Type in the web address [http://www.highland.edu](http://www.highland.edu) click the orange LOGIN button near the top, right side of the screen.

**FIRST TIME HIGHLAND STUDENTS:**
- In the Username field, type your first initial, middle initial, last name–no spaces. For example: **jajones** would be the username for John A Jones
- The initial password is your six-digit birthdate, i.e. mo/da/yr. For example, **030677**. When prompted, create a new password that is at least eight characters long.

**CURRENT STUDENTS**

Network usernames and passwords remain the same.

2. **Moodle**

- Moodle is HCC’s online course management system, and gives students access to online course content. This application requires only a connection to the internet.

3. **GroupWise**

- Grants access to your campus email. The username and password is the same as your Highland network login. For more help, see: [http://www.highland.edu/acomp/groupwise/GroupWise.asp](http://www.highland.edu/acomp/groupwise/GroupWise.asp)

4. **NetStorage** *

- With NetStorage users may access your Highland network files. Download your files, work on them, & upload them back to...
<table>
<thead>
<tr>
<th>NetStorage for use at Highland, or at home.</th>
</tr>
</thead>
</table>
| **5. ROAR**

ROAR is not synchronized with the previous login information. ROAR is HCC’s student information and online registration program. Your user name is a randomly-generated 9-digit number. Your initial pin is your six-digit birthdate. From the ROAR login page, click the “Lookup My ID” link to acquire your ID. See [http://www.highland.edu/admissions/howtoreg.asp](http://www.highland.edu/admissions/howtoreg.asp) for more information about how to login and register online.

* To login go to [http://www.highland.edu/login.asp](http://www.highland.edu/login.asp) and enter your user name and password as indicated above.

**NEED HELP?** Email [loginhelp@highland.edu](mailto:loginhelp@highland.edu) or go to T139 or the library for personal assistance.

---

Your account will stay logged in even if you have closed out of any of these programs. To log out completely, click the Log Off or Shut Down commands from the Windows Start Button.

Wireless service is available in all buildings on campus.

**Note:** Newly registered students may not have email accounts created until they have registered for courses.
