

How do I get credit for CLEP?

When you take a CLEP exam, you can select the institution that should receive your scores. Select *Highland Community College* to have your scores sent here. An official score report will automatically be forwarded to the school. You will also receive an unofficial copy of your score for your records immediately after the examination (except for English Composition with Essay).

If you do not indicate where you would like your score sent on the day of the test, you can always request a transcript at a later time for a fee. Just submit the Transcript Request Form—it's available on the CLEP website, www.collegeboard.com/clep.

What should I bring on exam day?

Please bring a valid Government issued ID with you and the registration ticket.
