SEMI-ANNUAL REVIEW OF ALL CLOSED SESSION MINUTES AND TAPES

RECOMMENDATION OF TRUSTEES DIANE GALLAGHER AND ROB URISH: That the Closed Session minutes, which were previously closed, remain closed at this time and unavailable for public inspection. It is further recommended that the audio recordings from the following Closed Sessions be destroyed at this time, pursuant to the Open Meetings Act: June 21, 2011; July 19, 2011; August 16, 2011; September 14, 2011; September 20, 2011 (Audit Committee); November 15, 2011; and November 30, 2011.

BACKGROUND: In accordance with the Open Meetings Act, all Closed Session minutes and tapes must be reviewed at least twice a year and trustees must take action to open any minutes that do not need to remain confidential. Trustees Diane Gallagher and Rob Urish reviewed the Closed Session minutes separately and determined that there were no Closed Session minutes that could be opened and made available to the public at this time. The Closed Session minutes deal with issues that are of a confidential nature.

Beginning in January 2004, in accordance with the Open Meetings Act, a verbatim record in the form of an audio recording has been kept of all meetings of the Highland Community College Board of Trustees that are closed to the public. The audiotape recordings of Closed Sessions are not subject to Board approval, nor are they open for public inspection or subject to discovery in any proceeding other than a court action to enforce the Open Meetings Act.

Audiotape recordings of Closed Sessions must meet the following criteria in order to be destroyed:

1. a verbatim record exists;
2. at least 18 months have passed since the date of the meeting;
3. the Board of Trustees have approved the written minutes of the closed meeting as to form, regardless of whether the minutes have been released for public review; and,
4. there is no lawsuit pending regarding the legality of the Closed Session
