

Early Childhood Education (723)

Level 2 ECE Credential Certificate

ABOUT OUR PROGRAM

The field of early childhood education is filled with many exciting opportunities! At Highland Community College, we have a variety of pathways designed to support your professional growth. Whether you are interested in earning a Gateways Credential (<http://www.ilgateways.com/en/credentials>) or are planning to transfer to a four-year program, we have the courses and opportunities to meet your education and career needs. Our courses are designed around the following three Pathways: Direct Exit, Credential Continuing, and Credential Transfer.

The Direct Exit Pathway is designed for students who are in the field or seeking immediate employment and are pursuing Gateways Credentials to secure employment or progress within a current role. This pathway is designed with convenient on and off ramps – you can pursue a Level 2 Credential, for example, then later decide that you would like to attain your Level 3 Credential.

Each of our pathways is designed to support the attainment of Gateways Credentials. The Gateways Credential is recognized by the Illinois Department of Human Services Bureau of Child Care and Development. Credentials are required for varied Circles of Quality in ExceleRate Illinois and can be used as a prerequisite for employment within early learning programs. To earn your Level 2 ECE Credential at Highland Community College, you are required to follow a prescribed course of study. Please be sure to contact Melissa Johnson for further information about these credentials and required courses.

NATURE OF WORK AND EMPLOYMENT

Level 2 Credential Certificate holders work in licensed child care programs as assistant teachers. Family child care providers are encouraged to use this program to upgrade their own training and preparation. Our state and nation are currently facing a critical need for well-prepared early childhood practitioners, with an anticipated growth in career opportunities of 14% (U.S. Bureau of Labor Statistics Occupational Outlook Handbook, 2014).

SPECIAL CONSIDERATIONS

Certificate students must demonstrate good physical and emotional health and submit to a criminal background check. To successfully begin the early childhood degree, students must meet the communication requirements. Students must take either Introduction to Early Childhood Education (ECE 121) or Child Growth and Development (ECE 122) and earn a grade of “C” or better to proceed through the early childhood program. ECE 121 and ECE 122 require an AccuPlacer reading score of 79 or placement into ENGL 121. They must maintain a “C” or better in all early childhood courses to complete the certificate. A workplace experience is encouraged and may be made available.

PROGRAM CONTACTS

Call Highland at 815-235-6121 for the following program contacts:

- Scott Anderson, Dean of Business & Technology
- Melissa Johnson, Coordinator of Early Childhood Education
- Vicki Schulz, Student Advisor
