# Independent Auditor's Report

Board of Trustees Highland Community College District #519 Freeport, Illinois

### Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities and the discretely presented component unit of Highland Community College, Illinois Community College District #519 as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities and the discretely presented component unit of Highland Community College, Illinois Community College District #519 as of June 30, 2013, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The Supplementary Financial Information as listed in the table of contents on pages 44 through 84 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Supplementary Financial Information identified as ICCB Supplementary Information on pages 70 through 84 is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Financial Information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The additional supplementary information on pages 44 through 69 has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 8, 2013 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

Freeport, Illinois October 8, 2013

# Management Discussion and Analysis

#### Introduction

This section of Highland Community College District 519's financial report presents management's discussion and analysis of the financial position and results of activities of the District as of June 30, 2013. This discussion should be read in conjunction with the accompanying financial statements and footnotes. The financial statements, footnotes, and this discussion are the responsibility of the District's management.

### **Using the Financial Statements**

The financial report for the fiscal year ended June 30, 2013 consists of financial statements prepared in accordance with Governmental Accounting Standards Board ("GASB") Statement No. 35, Basic Financial Statements and Management's Discussion and Analysis for Public Colleges and Universities. Three basic financial statements comprise the financial report: the Statement of Net Position; the Statement of Revenues, Expenses and Changes in Net Position; and the Statement of Cash Flows. The financial statements present financial information in a form similar to that used by corporations. The accrual basis of accounting is used, whereby revenues and assets are recognized when a service is provided and expenses and liabilities are recognized when others provide a service, regardless of when cash is exchanged.

The Statement of Net Position includes all assets and liabilities. Over time, increases or decreases in net position is one indicator of the improvement or decline of the District's financial condition when considered with non-financial facts such as enrollment levels and the condition of facilities. Assets and liabilities are generally measured using current values. One exception is capital assets, which are stated at historical cost less an allowance for depreciation.

The Statement of Revenues, Expenses, and Changes in Net Position presents the revenues earned and expenses incurred during the year. Activities are reported as either operating or nonoperating. Annual state appropriations, while primarily budgeted for operations, are considered non-operating revenues according to generally accepted accounting principles. The utilization of capital assets is reflected in the financial statements as depreciation, which spreads the cost of an asset over its expected useful life. Depreciation expense is classified as an operating expense.

The Statement of Cash Flows presents information related to cash inflows and outflows. GASB principles include four major sources of cash flows: cash flows from operating activities, cash flows from non-capital financing activities, cash flows from capital financing activities, and cash flows from investing activities.

The financial report for the fiscal year ended June 30, 2013 reflects the District's adoption of GASB Statement No. 39, Determining Whether Certain Organizations are Component Units. Under this statement, if a private foundation provides financial support to a public college or university at a level that meets specified criteria, the foundation is considered a "component unit" of the college for purposes of financial reporting and the college is required to include the foundation's financial activities in the college's financial statements.

# Management Discussion and Analysis

### Using the Financial Statements (Continued)

The Highland Community College Foundation is administered and operated exclusively for the benefit of the District. However, the Foundation is not a subsidiary or affiliate of the District and is not directly or indirectly controlled by the District. The resources of the Foundation are disbursed at the discretion of the Foundation's independent board of directors in accordance with donor directions and Foundation policy. The majority of the assets held by the Foundation are endowments, the principal of which may not be spent.

Although the Foundation is independent of the District in all respects, management has concluded that the Foundation is a "component unit" of the District as defined in GASB 39. Therefore, the Foundation's Financial Statements are included in the District's Financial Statements in a separate column. See the Notes to the Financial Statements for further discussion.

# Management Discussion and Analysis

#### Condensed Financial Information

Net position are summarized in the table below.

### Condensed Statement of Net Position June 30,

|                                      | 2013         | 2012         |

| Total liabilities                    | \$12,486,634 | \$10,615,840 |
| Total deferred inflows of resources  | \$ 4,116,391 | \$ 4,373,970 |
| Net Position:                        |              |              |
| Net investment in capital assets     | \$12,810,957 | \$11,853,636 |
| Restricted, expendable:              | 4 40 4 000   | 4 505 505    |
| Capital projects                     | 1,484,220    | 1,895,305    |
| Debt service                         | 731,289      | 481,560      |
| Working cash                         | 7,851,128    | 5,851,128    |
| Other                                | 504,308      | 791,863      |
| Unrestricted                         | 1,782,827    | 4,545,567    |
| Total net position                   | \$25,164,729 | \$25,419,059 |

Current assets consist primarily of cash, investments, and property taxes receivable. Total current assets and deferred outflows cover current liabilities and deferred inflows 2.5 times, an indicator of good liquidity.

The District's largest asset group is its capital assets. This includes land and land improvements, buildings, equipment, and technology. Capital projects completed in fiscal year 2013 include a campus security camera system and sidewalk work. Other projects begun in fiscal year 2013, but not yet completed include additional sidewalk work.

# Management Discussion and Analysis

### Condensed Financial Information (Continued)

The District's largest liability group is current liabilities, which is primarily made up of accounts payable and unearned tuition revenue.

Non-current liabilities include bonds payable, debt certificates, and working cash bonds issued by the District.

The District's net position consists of capital assets net of related debt, restricted net position, and unrestricted net position. Expendable restricted net position represents assets that have restrictions determined by an outside party. This includes restrictions related to State and Federal grants and debt repayment.

Unrestricted net position represents assets that have not been restricted by an outside party. This includes funds that the Board of Trustees and management have designated for specific uses as well as amounts that are contractually committed for goods and services.

Revenues, expenses, and changes in net position are summarized in the table below.

### Condensed Statement of Revenues, Expenses, and Changes in Net Position For Fiscal Year Ending June 30,

|  | 2013  | 2012                                       |
|--|---|--|
| Total operating revenues Total operating expenses Operating loss | \$ 5,921,802<br><u>29,662,125</u><br>(23,740,323) | \$ 6,068,001<br>30,553,951<br>(24,485,950) |
| Nonoperating revenues (expenses)                                 | 23,485,993  | 24,176,233                                 |
| Increase (decrease) in net position                              | (254,330)   | (309,717)                                  |
| Net position, beginning of year                                  | 25,419,059  | 25,728,776                                 |
| Net position, end of year  | \$25,164,729                                      | \$25,419,059                               |

Sources of operating revenues for the District include: tuition and fees, \$3,598,706, auxiliary enterprises revenue, \$1,592,252, and other revenue, \$730,844. Nonoperating revenues and operating expenses include a State Universities Retirement System of Illinois (SURS) contribution provided by the State in the amount of \$3,359,675.

# Management Discussion and Analysis

### Condensed Financial Information (Continued)

SURS is a special funding situation whereby the State of Illinois makes substantially all actuarially determined required contributions on behalf of participants.

The District's sources of nonoperating revenue include state appropriations, \$5,642,367, property and replacement taxes, \$8,891,015, and federal grants and contracts, \$9,400,792. The decrease in net position for fiscal year 2013 is \$254,330.

The District reports expenditures on a functional basis. The table below summarizes operating expenses.

# Condensed Statement of Operating Expenses and Non-Operating Expenses For the Year Ended June 30,

|                                     | 2013         | 2012            |
|-------------------------------------|--------------|-----------------|
| Instruction                         | \$ 8,883,182 | \$ 8,676,859    |
| Academic support                    | 1,288,136    | 1,306,657       |
| Student services                    | 6,045,420    | 6,266,396       |
| Public services                     | 3,440,856    | 3,580,999       |
| Operations and maintenance of plant | 2,478,581    | 2,392,390       |
| General administration              | 1,961,461    | 2,318,237       |
| Independent operations              | 2,900        | 23              |
| Institutional support               | 2,572,649    | 2,661,658       |
| Auxiliary enterprises               | 1,613,799    | 1,864,951       |
| Scholarships, grants, waivers       | 222,389      | 211,738         |
| Capital projects                    | 36,284       | G. 11 ( 1 2 1 ) |
| Depreciation                        | 1,116,468    | 1,274,043       |
| Total operating expenses            | \$29,662,125 | \$30,553,951    |
| Interest expense and other          | \$486,265    | \$314,467       |

The main factor contributing to the decrease in the District's operating revenues in fiscal year 2013 is the decrease in auxiliary enterprise revenue of \$297,153. Tuition and fees revenue, classified as operating revenue, increased 6% in fiscal year 2013.

# Management Discussion and Analysis

### Condensed Financial Information (Continued)

Changes in operating expenses from 2012 to 2013 in all categories include changes in salaries and employee benefits due to changes in rates and in personnel. In addition, Student Services and Public Services changes reflect changes in grant funding; General Administration decreases reflect the results of the health insurance fund; and Institutional Support reflect technology projects and Protection, Health, and Safety projects.

# Management's Analysis of the District's Overall Financial Position and Results of Operations

Using GASB Statement No. 35, The Statement of Revenues, Expenses, and Changes in Net Position reflects an overall decrease in the District's net position totaling \$254,330. Using the prior method of reporting, which reflects the day-to-day operations of the District, the Combined Balance Sheet for All Fund Types and Account Groups reflects an overall increase in the District's net position totaling \$1,665,712. The variance in results of \$1,920,042 is due primarily to the way in which debt and fixed assets are accounted for under each method. The prior method used self-balancing funds to account for debt and fixed assets, resulting in a zero effect on the increase in net position of the District. The GASB 35 method accounts for debt and fixed assets more like a corporation. Fixed assets are included as a long-term asset, with depreciation as an expense. Debt is included as a current and non-current liability, with interest as an expense.

GASB Statement No. 35 affects the District's reporting model, but not the day-to-day operations or the budgeting process of the District. In considering the District's financial position at June 30, 2013, of key importance is the fund balance in the Operating Funds, which increased by \$56,335 from June 30, 2012 to June 30, 2013. This increase is due to several open positions remaining open for the fiscal year, projects being postponed, and the attempt to reduce expenses in anticipation of a deficit budget for the year ended June 30, 2013. Fund balances in the other fund types are limited in use according to the source of revenue. These restricted types of funds will be used for capital expenditures, debt repayment, and grant programs.

### Capital Assets/Long Term Debt

During the year ended June 30, 2013, the District invested \$659,214 in capital assets. This includes \$201,367 for buildings and improvements, and \$457,847 expended for equipment and technology. Capital projects were funded by a combination of restricted real estate tax revenue, operating funds, and bond proceeds.

# Management Discussion and Analysis

### Capital Assets/Long Term Debt (Continued)

Debt certificates were issued in fiscal year 2007. The certificates were issued for the purpose of updating technology and infrastructure through the purchase of equipment. The District redeemed these certificates with funding bonds in fiscal year 2007. Serial retirement of principal occurs on January 1, 2008, with interest payable semiannually with rates of 4.25% - 4.50%. These bonds matured on January 1, 2013.

Debt certificates were issued in fiscal year 2009. The certificates were issued for the purpose of technology and infrastructure. Serial retirement of principal occurs on January 1, 2010, with interest payable semiannually with rates of 4.00% - 5.00%. In November 2012, the District defeased these debt certificates.

Working cash bonds were issued in fiscal year 2010. The bonds were issued for the purpose of increasing the Working Cash Fund of the District. Serial retirement of principal occurs on January 1, 2010, with interest payable semiannually with rates of 1.90% - 4.50%.

Series 2010 General Obligation Bonds were issued in December, 2010. \$1,750,000 bonds were issued for the purpose of paying unpaid claims of the District. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 2.00% - 4.00%, commencing January 1, 2012 and maturing on January 1, 2016.

Working cash bonds were issued in fiscal year 2013. The bonds were issued for the purpose of increasing the Working Cash Fund of the District. Serial retirement of principal occurs on January 1, with interest payable semiannually with a rate of 2.50%.

Series 2012 General Obligation Refunding Debt Certificates were issued in November, 2012. \$3,725,000 bonds were issued for the purpose of refunding a portion of the District's outstanding debt certificates. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 2.00% - 2.50%, commencing January 1, 2013 and maturing on January 1, 2024.

Additional information on the District's debt activity can be found in the accompanying Notes to the Financial Statements.

### Factors or Conditions Impacting Future Periods

Financial and budget planning is directly related to and supportive of the District's strategic plan and operational needs. The District's financial outlook is influenced by factors such as: the State economy, the level of support available from the Highland Community College Foundation, program growth and development, new initiatives, and technology needs.

The District's main sources of Operating Funds Revenue are: property tax revenue, student tuition and fees, and State Operating grants. Management is aware of conditions that may impact each of those sources of revenue in fiscal year 2014.

# Management Discussion and Analysis

### Factors or Conditions Impacting Future Periods (Continued)

Property tax revenue in the Operating Funds has decreased annually during the most recent 3 year period. The average decrease in equalized assessed valuation (EAV) during this time period has been 2.8%. For fiscal year 2014, the District has estimated a 2% decrease in EAV due to the economic conditions of the District. Each percentage point in EAV is the equivalent of about \$35,000 in property tax revenue in the Operating funds.

Management anticipates a 10.5% increase in tuition revenue in fiscal year 2014 based on an estimated level enrollment for the 2012-2013 academic year, combined with a \$10 increase in tuition.

The final State of Illinois budget for fiscal year 2014 reflects a \$147,000 or 8.6% increase in Operating grants for the District. Overall, Operating funds revenue is expected to increase by 3.7% from fiscal year 2013 to fiscal year 2014.

Anticipated Operating Funds revenues for fiscal year 2014 are about \$518,000 more than fiscal year 2013. A fifteen percent increase in medical insurance premium resulted in about \$320,000 in additional costs to the Operating Funds. In order to bring expenses more in line with revenues, a variety of reductions have been made in areas such as materials and supplies, capital and travel/training costs. For fiscal year 2014, the Operating funds budget includes expenditures in excess of revenues in the amount of \$291,347. The District is budgeted to maintain an Operating funds ending fund balance that is within recommended guidelines of 5% to 20% of expenditures. The majority of the Operating funds budget for fiscal year 2014 continues to comprise instruction, academic support, and student services, reflecting the District's commitment to providing quality education and learning opportunities to the people of Northwestern Illinois.

The District completed a comprehensive strategic planning process in 2010. Goals identified through that process and corresponding planned outcomes include:

- Proactively identify emerging programmatic opportunities.
  - Improve our District's awareness and identity with Highland Community College through structured outreach efforts.
  - Increase the number of faculty and staff engaged in community outreach efforts and providing feedback regarding programmatic opportunities.
- Meet program delivery needs of current and prospective students.
  - Increases success of students in alternatively delivered programs and courses.

# Management Discussion and Analysis

### Factors or Conditions Impacting Future Periods (Continued)

- Provide student and academic services that meet the needs of students enrolled in alternative delivery courses and programs.
- Increase college-level enrollment.
  - More students will be retained through transitional courses and enroll in collegelevel courses.
  - More District students will enroll at Highland Community College because of their experiences in career exploration.

Short and long-range strategies associated with the above goals and outcomes may have budget implications for the upcoming fiscal year and for future fiscal years.

This financial report is designed to provide the reader with a general overview of the District's finances and to demonstrate the District's accountability for the money it receives. If you have questions about this report or need additional financial information, please contact the V.P. of Administrative Services, 2998 W. Pearl City Road, Freeport, IL 61032.

# Notes to Financial Statements

# Note 1 Summary of Significant Accounting Policies

The Board of Trustees (Board), a seven member group, is the level of government which has the governing responsibilities over all activities related to public post and secondary school education within the jurisdiction of the Highland Community College District No. #519 (the District). The District receives funding from local, state and federal sources and must comply with the requirements established by these funding source entities. However, the District is not included in any other governmental "reporting entity" as to result in the District being considered a component unit of the entity since Board members are elected by the public and have decision making authority, the power to designate management, and the responsibility to significantly influence operations and primary accountability for fiscal matters.

As defined by generally accepted accounting principles established by the Governmental Accounting Standards Board (GASB), the financial reporting entity consists of the primary government, as well as its component unit, the Highland Community College Foundation.

The Foundation is a legally separate, tax-exempt component unit of the District. The Foundation acts primarily as a fund-raising organization to supplement the resources that are available to the District in support of its programs. The board members of the Foundation are self-perpetuating and consist of graduates and friends of the District. Although the District does not control the timing or amount of receipts from the Foundation, the majority of resources or income thereon that the Foundation holds and invests is restricted to the activities of the District by the donors. Because these restricted resources held by the Foundation can only be used by, or for the benefit of, the District, the Foundation is considered a component unit of the District.

During the year ended June 30, 2013, the Highland Community College Foundation distributed \$911,346 to the District for both restricted and unrestricted purposes.

The Foundation is a not-for-profit organization that reports their financial results under Financial Accounting Standard Board (FASB) Statements. Most significant to the Foundation's operations and reporting model are FASB Statement No. 116, Accounting for Contributions Received and Contributions Made, and FASB Statement No. 117, Financial Reporting for Not-for-Profit-Organizations. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the Foundation's financial information in the District's financial reporting entity for these differences.

# Notes to Financial Statements

# Note 1 Summary of Significant Accounting Policies (Continued)

Although the District is the exclusive beneficiary of the Foundation, the Foundation is independent of the District in all respects. The Foundation is not a subsidiary or affiliate of the District and is not directly or indirectly controlled by the District. The District does not have the power or authority to mortgage, pledge or encumber the assets of the Foundation. The directors of the Foundation are entitled to make all decisions regarding the business and affairs of the Foundation, including, without limitation, distributions made to the District. Under state law, neither the principal nor income generated by the assets of the Foundation can be taken into consideration in determining the amount of state-appropriated funds allocated to the District. Third parties dealing with the District, the Illinois State Board of Higher Education and the State of Illinois (or any agency thereof) should not rely upon the financial statements of the Foundation for any purpose without consideration of all of the foregoing conditions and limitations.

Financial statements for the Highland Community College Foundation can be obtained by calling the Foundation at 815-235-6121.

In addition, the District is not aware of any entity which would be financially accountable for the District, which would result in the District being considered a component of the entity.

The financial statements present a comprehensive look at the government and capitalization of assets and recording of depreciation. The financial statements use the full accrual basis of accounting rather than the modified accrual basis. The financial statements show the recording of accumulated depreciation and depreciation expense on general fixed assets, the elimination of internal revenue and expense charges, the removal of capital related items and debt principal payments from expenses, the recording of tuition revenue net of scholarships and allowances, the recording of property tax revenues on an accrual basis rather than a modified accrual basis, and the recording of summer school revenue between fiscal years rather than in one fiscal year.

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as applicable to colleges and universities as well as those prescribed by the Illinois Community College Board (ICCB). The District reports are based on all applicable Government Accounting Standards Board (GASB) pronouncements as well as applicable Financial Accounting Standards Board (FASB) Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Review Boards of the Committee on Accounting Procedure issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements. The following is a summary of the more significant policies:

### Notes to Financial Statements

# Note 1 Summary of Significant Accounting Policies (Continued)

### Measurement Focus, Basis of Accounting, and Financial Statement Presentation

For financial reporting purposes, the District is considered a special-purpose government engaged only in business-type activities. Accordingly, the District's financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. All significant intra-agency transactions have been eliminated.

Non-exchange transactions, in which the District receives value without directly giving equal value in return, includes property taxes; federal, state and local grants; state appropriations, and other contributions. On an accrual basis, revenue from property taxes is recognized in the period for which the levy is intended to finance. Revenue from grants, state appropriations, and other contributions is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the District must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the District on a reimbursement basis.

### **Budgets**

Budgeted amounts are obtained from the Board of Trustees approved operating budget of the District. The budget is used as the fiscal guideline in the implementation of Board policies and support of educational purposes of the District during the fiscal year. The budget amounts are the final adopted budget, including all amendments. The restricted fund budget is different than the operating budget. The restricted fund budget includes figures for grants received during the fiscal year. Therefore, these budgets are not approved by the Board at the beginning of the year and can change throughout the year.

Unexpended budgeted amounts lapse at the end of the budget year. Spending control is established by the amount of expenditures budgeted for each object and purpose, but management control is exercised at budgetary line item levels.

#### Investments

Investments consist of certificates of deposit and money market mutual funds. Investments are stated at cost or amortized cost, which approximates market. The District may invest funds under Section 3-47 of the Public Community College Act and Sections 235/1 through 235/7 of the Investment of the Public Funds Act.

# Notes to Financial Statements

# Note 1 Summary of Significant Accounting Policies (Continued)

#### Investments (Continued)

The District funds may be invested in the types of securities listed below:

- Bonds, notes, certificates of indebtedness, treasury bills and other securities issued by the United States.
- Interest-bearing savings accounts, certificates of deposit, or time deposits with a bank or any other investment constituting direct obligations of any bank as defined by the Illinois Banking Act.
- Short-term obligations of U.S. corporations with assets exceeding \$500 million and meeting certain other requirements.
- d. Money market mutual funds registered under the Investment Company Act of 1940 provided the portfolio, both principal and interest, is guaranteed by the full faith and credit of the United States of America.
- Short-term discount obligations issued by the Federal National Mortgage Association.
- f. Shares or other securities issued by savings and loan associations.
- g. Dividend-bearing share accounts, share certificate accounts, or class of share accounts of a credit union chartered in the United States with its principal office located in Illinois if insured by applicable law.
- Certificates or securities issued by the Public Treasurers' Investment Pool.
- Funds managed, operated and administered by a bank, subsidiary of a bank, or a subsidiary of a bank holding company.
- Illinois School District Liquid Asset Fund.
- Repurchase agreements in which the instrument and the transaction must meet certain requirements.
- Mutual funds that invest primarily in corporate investment grade or global government short-term bonds which are approved by the local board of trustees.

The Foundation invests in various money markets, U.S. obligations, equities, and mutual funds, which are shown on the financial statements at fair market value.

### Inventory

Inventories of books, clothing and supplies are carried at cost, based on the first-in, first-out method.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

# Notes to Financial Statements

# Note 1 Summary of Significant Accounting Policies (Continued)

### Cash and Cash Equivalents

Cash consists of NOW accounts and savings accounts.

For purposes of the statement of cash flows, cash equivalents can include money market accounts and any highly liquid debt instruments purchased with a maturity of less than three months. There were no cash equivalents included in cash as of June 30, 2013.

#### Classification of Revenues

Operating revenue include activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, and (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances. Non-operating revenue includes activities that have the characteristics of non-exchange transactions, such as (1) local property taxes, (2) state appropriations (3) most federal, state, and local grants and contracts and federal appropriations, and (4) gifts and contributions.

# Note 2 Property Taxes

Property taxes are levied each calendar year on all taxable real property located within the District. Property taxes are recorded on an accrual basis of accounting. Pursuant to the Board of Trustee resolution, property tax levies passed in December 2011 and 2012 were allocated fifty percent for each of the two years after the levy year.

The personal property replacement tax is recorded on the accrual basis based on the amounts held by the State.

The Counties in which the District resides are responsible for assessing, collecting, and distributing property taxes in accordance with enabling state legislation. Property taxes become a lien on the first day of the levy year which begins in January and are payable in two installments approximately in July and September. Payments made after the September installment date are assessed interest at the rate of 1% for farm land and 1-1/2% for all others.

### Notes to Financial Statements

# Note 2 Property Taxes (Continued)

Following are the tax rates for the last three years, and the statutory maximum tax rates. The 2012 rate is for tax levy payable in calendar year 2013, per \$100 of assessed valuation.

|                                 | Statutory<br>Maximum<br><u>Rate</u> | 2010<br>Rate | 2011<br><u>Rate</u> | 2012<br>Rate |

| Prior Year Adjustment           | None                                | .0005        | .0005               | .0000        |
| Bond and Interest Fund          | None                                | 0493         | 0517                | 0570         |
| Total                           |                                     | \$.4853      | \$.4936             | \$.4778      |

<sup>\*</sup>The District is able to exceed the statutory maximum rate due to a local referendum.

#### Note 3 Tuition and fees

Student tuition and fees include all such items assessed against students for educational and service purposes. Tuition and fee revenues collected during the fiscal year which relate to the period after June 30, 2013, have been recognized as unearned revenues.

### Note 4 Prepaid Expense

Prepaid expenses relate to expenditures the District has paid for prior to year end, but relate to fiscal year 2014.

#### Note 5 Deferred outflows/inflows of resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then. The District only has one item that qualifies for reporting in this category. It is the deferred charge on refunding reported in the Statement of Net Position. A deferred charge on a refunding results from the difference in the

<sup>\*\*</sup>The Social Security/Medicare tax levy and related expenditures are recorded in the Liability, Protection, and Settlement Fund.

### Notes to Financial Statements

# Note 5 Deferred outflows/inflows of resources (Continued)

carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The District has only one type of item, unavailable revenue, which comes from property taxes recorded on the modified accrual basis of accounting. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

### Note 6 Net Position

The District's net position is classified as follows:

Net investment in capital assets - This represents the District's total investment in capital assets, net of accumulated depreciation, and net of related debt.

Restricted - expendable - This includes resources that the District is legally or contractually obligated to spend in accordance with restrictions imposed by external third parties. When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources when they are needed.

Unrestricted - This includes resources derived from student tuition and fees, state appropriations, and sales and services of educational departments and auxiliary enterprises. These resources are used for transactions relating to the educational and general operations of the District and may be used at the discretion of the governing board to meet current expenses for any purpose.

#### Note 7 Out-of-District Tuition

The amount of cost to be charged for out-of-district students during the year ended June 30, 2013, has been computed using the guidelines provided in the 2013 edition of the <u>Fiscal Management Manual</u> prepared by the Illinois Community College Board.

# Notes to Financial Statements

# Note 8 Capital assets

The following is a summary of the changes in general fixed assets of the College for the year ended June 30, 2013:

| Vani   | Balance<br>July 1, 2012 | Additions | Retirements | Balance<br>June 30, 2013 |
|--|-------------------------|-----------|-------------|--------------------------|
| Land<br>(non-depreciable)<br>Construction in | \$ 110,000              | \$ -      | \$ -        | \$ 110,000               |
| process                                      |                         |           | -           |                          |
| Land improvements                            | 3,609,328               | 192,867   | 9,          | 3,802,195                |
| Buildings                                    | 24,322,578              | 8,500     |             | 24,331,078               |
| Equipment                                    | 2,648,143               | 133,639   | 247,352     | 2,534,430                |
| Technology                                   | 4,091,216               | 324,208   | 804,837     | 3,610,587                |
|  | \$34,781,265            | \$659,214 | \$1,052,189 | \$34,388,290             |

A summary of changes in accumulated depreciation by asset categories follow:

|                   | Balance<br>July 1, 2012 | Additions   | Retirements   | Balance<br>June 30, 2013 |
|-------------------|-------------------------|-------------|---------------|--------------------------|
| Land improvements | \$ 3,120,095            | \$ 141,757  | \$ -          | \$ 3,261,852             |
| Buildings         | 8,292,055               | 486,622     | the second of | 8,778,677                |
| Equipment         | 1,415,795               | 263,955     | 247,352       | 1,432,398                |
| Technology        | 3,071,584               | 224,134     | 804,837       | 2,490,881                |
|                   | \$15,899,529            | \$1,116,468 | \$1,052,189   | \$15,963,808             |

Capital assets include property, plant equipment, and infrastructure assets, such as roads and sidewalks. Capital assets are defined by the District as assets with an initial unit cost of \$2,500 or more and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Capital assets are depreciated on the straight line basis based on the following:

| Assets              | Years |
|---------------------|-------|
| Buildings           | 50    |

### Notes to Financial Statements

# Note 9 Compensated Absences

The District records a liability for employees' vacation leave earned, but not taken. Employees are allowed to carry over a limited number of vacation days from year to year. At June 30, 2013, the District recorded a vacation liability of \$89,683. The District considers this liability current and due within one year.

The District implemented a sick pay payout upon retirement program that allows sick days over 180 to be paid out at \$20 a day upon retirement. At June 30, 2013, the District recorded a sick pay liability of \$32,100. The District considers this liability non-current.

# Note 10 Federal Financial Assistance Programs

The District participates in federally funded Pell Grants, SEOG Grants, Federal Work-Study, and Federal Family Education Loan programs. Federal programs are audited in accordance with the Single Audit Act Amendments of 1996, the U.S. Office of Management and Budget Revised Circular A-133 Audit of States, Local Governments and Non-Profit Organizations, and the Compliance Supplement.

# Note 11 On-Behalf Payments for Fringe Benefits and Salaries

The College recognizes as revenues and expenses contributions made by the State of Illinois to the State Universities Retirement Systems on behalf of the District's employees. In fiscal year 2013 and 2012, the state made contributions of \$3,359,675 and \$2,369,802, respectively (see Note 12).

#### Note 12 Pension Plan

#### Plan Description

Highland Community College District #519 contributes to the State Universities Retirement System of Illinois (SURS), a cost-sharing, multiple-employer defined benefit pension plan with a special funding situation whereby the State of Illinois makes substantially all actuarially determined required contributions on behalf of the participating employers. SURS was established July 21, 1941 to provide retirement annuities and other benefits for staff members and employees of the state universities, certain affiliated organizations, and certain other state educational and scientific agencies and for survivors, dependents, and other beneficiaries of such employees.

SURS is considered a component unit of the State of Illinois' financial reporting entity and is included in the state's financial reports as a pension trust fund. SURS is governed by Section 5/15, Chapter 40, of the Illinois Compiled Statutes. SURS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by accessing the website at <a href="https://www.SURS.org">www.SURS.org</a>, or calling 1-800-275-7877.

### Notes to Financial Statements

# Note 12 Pension Plan (Continued)

#### **Policy Funding**

Plan members are required to contribute 8.0% of their annual covered salary and substantially all employer contributions are made by the State of Illinois on behalf of the individual employers at an actuarially determined rate. The current rate (for FY 2013) is 34.51% of annual covered payroll. The contribution requirements of plan members and employers are established and may be amended by the Illinois General Assembly. The employer contributions to SURS for the years ending June 30, 2013, 2012, and 2011 were \$3,477,437, \$2,495,991, and \$2,050,915, respectively, equal to the required contributions for each year. Included in these contributions are the on behalf payments.

# Note 13 Other Postemployment Benefits

Benefits Provided. The District provides continued medical, prescription drug, and dental coverage at the active employee rate to all eligible employees in accordance with Illinois statutes, which creates an implicit subsidy of retiree medical, prescription drug, and dental coverage.

Plan Description. In addition to providing pension benefits, the District provides postemployment health benefits (OPEB) for retired employees through a single employer defined benefit plan. The benefits, benefit levels, employee contributions, and employer contributions are governed by the District and can be amended by the District through its personnel manual and employment contracts. The plan is not accounted for as a trust fund, as an irrevocable trust has not been established to account for the plan. The plan does not issue a separate report. The activity of the plan is reported in the District's government-wide activities.

Funding Policy. The District is not required to and currently does not advance fund the cost of benefits that will become due and payable in the future. Active employees do not contribute to the plan until after retirement.

The portion of the premium to be paid by the College for health and dental insurance will be determined by the insurance cap in place at the time of retirement. Currently, the District does not contribute to the premium amount per retired member for the cost of a faculty or support staff member's individual insurance coverage.

Annual OPEB Costs and Net OPEB Obligation. The District's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution (ARC) of the District, an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC is the periodic required contribution to fund the postemployment health care benefits of both active and retired employees, calculated in accordance with GASB Statement No. 45. It includes both the value of benefits earned during the year (normal cost) and an amortization of

# Notes to Financial Statements

# Note 13 Other Postemployment Benefits (Continued)

Annual OPEB Costs and Net OPEB Obligation (continued). the unfunded actuarial accrued liability. Although there is no requirement to make contributions equal to the ARC, it serves as the starting point for determining the annual OPEB cost.

The District first had an actuarial valuation performed for the plan as of July 1, 2010 to determine the funded status of the plan as of the date as well as the employer's annual required contribution (ARC) for the fiscal year ended June 30, 2011. The annual OPEB cost is the amount the District charges as the cost of the postemployment health care benefits each fiscal year. If there is no net OPEB obligation, then the annual OPEB cost is equal to the ARC. However, if there is a net OPEB obligation, the annual OPEB cost reflects adjustment for interest on the net OPEB obligation.

The District's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the year ended June 30, 2013 was as follows:

| Fiscal Year<br>Ending | Annual<br>OPEB<br>Cost | Estimated<br>Employer<br>Contributions | Percentage<br>of Annual<br>OPEB Cost<br>Contributed | Net OPEB<br>Obligation |
|-----------------------|------------------------|--|---|------------------------|
| June 30, 2011         | \$45,544               | <u>\$13,495</u>                        | 29.6%   | \$32,049               |
| June 30, 2012         | \$45,544               | \$13,495                               | 29.6%   | \$64,098               |
| June 30, 2013         | \$45,544               | \$13,495                               | 29.6%   | \$96,147               |

The net OPEB obligation as of June 30, 2013 (most recent information available), was calculated as follows:

| Annual required contribution               | \$45,544 |
|--|----------|
| Interest on net OPEB obligation            | 7        |
| Adjustment to annual required contribution |          |
| Annual OPEB cost                           | 45,544   |
| Contribution made                          | (13,495) |
| Increase in net OPEB obligation            | 32,049   |
| Net OPEB obligation, beginning of year     | 64,098   |
| Net OPEB obligation, end of year           | \$96,147 |

### Notes to Financial Statements

### Note 13 Other Postemployment Benefits (Continued)

Funded Status and Funding Progress. The funded status of the plan on June 30, 2011 (the date of the last actuarial valuation), was as follows:

| Actuarial accrued liability (AAL) Actuarial value of plan assets | \$305,038 |
|--|-----------|
| Unfunded actuarial accrued liability (UAAL)                      | \$305,038 |
| Funded ratio (actuarial value of plan assets/AAL)                | 0%        |
| Covered payroll (active members)                                 | N/A       |
| UAAL as a percentage of covered payroll                          | N/A       |

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend.

Amounts determined regarding the funded status of the plan and the ARCs of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the AALs for benefits.

Actuarial Methods and Assumptions. Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the June 30, 2011 actuarial valuation, the projected unit credit method was used.

Discount rate. The discount rate as of June 30, 2011 is 3.00 percent. The discount rate is determined by the plan sponsor based on the estimated long-term investment yield on the investments that are expected to be used to finance the payment of the benefits.

Mortality. Life expectancy was based on mortality tables developed by the Society of Actuaries with a generally accepted projection of future mortality improvement. The RP-2000 Combined Mortality Tables for males and females were used.

### Notes to Financial Statements

### Note 13 Other Postemployment Benefits (Continued)

Retiree Contributions. Retiree and spouse (if applicable) costs of \$6,480 and \$6,780, respectively.

Average retirement age. The average age for a retiree is age 65.

Health Care Trend Rate. The initial rates of 7.00% for the District PPO medical plan grading down over 10 years to a 5.00% ultimate rate for the medical plan. The trend rate for dental and vision claims is 5.00 percent for all years.

Retiree contributions and trend rate. Monthly premium rates reflect the estimated future increases in retiree contributions. The trend rate is 3% for Fiscal Year 2012 and 4% for all subsequent periods.

Participation/election assumption. The percentage reflects the participants who will choose retiree coverage when eligible. The assumption is that 10% of future retirees will elect medical coverage in the District Plan.

Spousal coverage. The percentage reflects the spouses who will choose retiree coverage when eligible. The assumption is that 100% of spouses are assumed to elect retiree coverage when eligible assuming 70% are married with husbands three years older than wives. Actual spouse data was used for current retirees.

Eligibility provisions. The following must be met for full-time college employees to participate in coverage:

- An annuitant in the State Universities Retirement System (SURS) with at least 5 continuous years of service with the District; or
- Retires under the SURS requirement of "any age with 30 or more years of service" or is at least age 55 at the time of retirement under SURS.

Actuarial Cost Method. The method used to calculate normal cost and actuarial accrued liability is the projected unit credit cost method. Under this method, the present value of projected benefits is estimated at each decrement age, taking into account the value of future increases in medical claims and the effect of medical contributions. The total present value of projected benefits is the sum of the present values for each decrement age.

The actuarial accrued liability is calculated by prorating the present value of projected benefits by service at the valuation date over service projected to the date of decrement.

The actuarial value of assets was not determined as the District has not advance funded its obligation.

### Notes to Financial Statements

### Note 14 Deposits and Investments

Cash and investments as of June 30, 2013 consist of the following:

|                                      | Carrying<br>Amount |
|--------------------------------------|--------------------|
| Cash and cash equivalents            | \$ 2,392,137       |
| Deposits with financial institutions | 9,612,923          |
| External investment pool             | 183,527            |
| Total                                | \$12,188,587       |

#### Deposits

Concentration of credit risk and Foreign Currency Risk:

Custodial credit risk for deposits is the risk that in the event of a bank failure, the District's deposits may not be returned to it. At year end, the District's carrying amount of deposits was \$12,185,791 and the bank balance was \$12,422,494.

Of the bank balance, \$1,722,141 was covered by federal depository insurance and \$10,700,353 was collateralized with securities held by the pledging financial institution's trust department or agent in the District's name.

The District has no foreign currency risk for deposits at year end.

#### Investments

As of June 30, 2013, the District's investments were as follows:

|                          | Carrying<br>Amount | Market<br><u>Value</u> |
|--------------------------|--------------------|------------------------|
| External investment pool | \$183,527          | \$183,527              |

The calculation of realized gains is independent of the calculation of the net increase in the fair value of investments. Realized gains and losses on investments that had been held in more than one fiscal year and sold in the current year may have been recognized as an increase or decrease in the fair value of investments reported in the prior year. There was no increase in the fair value of investments during 2013.

The District's investments during the year did not vary significantly from those at year-end in amounts or level of risk.

### Notes to Financial Statements

### Note 14 Deposits and Investments (Continued)

#### Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates.

Information about the sensitivity of the fair values of the District's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the District's investments by maturity:

|                          | Remaining            |                 |                 |           |
|--------------------------|----------------------|-----------------|-----------------|-----------|
|                          | 12 Months<br>Or Less | 13-24<br>Months | 25-60<br>Months | Total     |
| Investment Type          |                      |                 |                 |           |
| External investment pool | \$183,527            | <u>s -</u>      | \$ -            | \$183,527 |

#### Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the actual rating as of year end for the external investment pool investment type:

|                          | June 30, 2013 | <u>AAAm</u> | <u>Aa</u>  | Unrated   |
|--------------------------|---------------|-------------|------------|-----------|
| Investment Type          |               |             |            |           |
| External investment pool | \$183,527     | \$183,527   | <u>s -</u> | <u>\$</u> |

#### Concentration of Credit Risk

The District has no investments in any one issuer that represent 5% or more of the total District's investments.

#### **Custodial Credit Risk**

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party.

As of June 30, 2013 there are no investments with custodial credit risk.

### Notes to Financial Statements

### Note 14 Deposits and Investments (Continued)

### Foreign Currency Risk

The District has no foreign currency risk for investments at year end. At various times during the year, the bank balances exceeded FDIC insurance and collateral pledged by the financial institutions.

The Illinois School District Liquid Asset Fund is an investment pool acting on behalf of School Districts, Community Colleges, and Educational Service Regions.

The State Treasurer maintains the Illinois Funds Money Market at cost and fair value through daily adjustments in the interest earnings. The fair value of the District's investment in the fund is the same as the value of the pool shares. The Pool is audited annually by an outside independent auditor and copies of the report are distributed to participants.

The Pools maintain a Standard and Poor's AAA rating. The District's investments in the funds are not required to be categorized because they are not securities. The relationship between the District and the investment agent is a direct contractual relationship and the investments are not supported by a transferable instrument that evidences ownership or creditorship.

All funds deposited in the Pools could be withdrawn on a day's notice. Although not subject to direct regulatory oversight, the fund is administered in accordance with the provisions of the Illinois Public Investment Act, 30 ILCS 235.

### Notes to Financial Statements

### Note 15 Changes in General Long-term Debt (Continued)

Series 2006 General Obligation Bonds were issued in October, 2006. \$2,830,000 bonds were issued for the purpose of updating technology and infrastructure. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 4.25% - 4.50%, commencing July 1, 2007. These bonds matured on January 1, 2013.

Debt certificates were issued on July 1, 2008. \$4,800,000 in debt certificates were issued for the purpose of purchasing real and personal property. Serial retirement of principal occurs on January 1, 2010, with interest at rates of 4.00% - 5.00%, commencing July 1, 2009 and with an original maturity of January 1, 2024.

In November 2012, the District defeased a portion of these debt certificates by placing \$3,654,448 (which includes \$354,448 of interest) of proceeds of the new certificates in an irrevocable trust to provide for future debt service payments on the old certificates. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the District's financial statements. On June 30, 2013, \$3,300,000 of bonds outstanding is considered defeased.

Series 2009 General Obligation Bonds were issued in November, 2009. \$1,200,000 bonds were issued for the purpose of increasing the Working Cash Fund. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 1.90% - 4.50%, commencing January 1, 2011 and maturing on January 1, 2015.

Series 2010 General Obligation Bonds were issued in December, 2010. \$1,750,000 bonds were issued for the purpose of paying unpaid claims of the District. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 2.00% - 4.00%, commencing January 1, 2012 and maturing on January 1, 2016.

Series 2012 General Obligation Bonds were issued in December, 2012. \$1,945,000 bonds were issued for the purpose of increasing the Working Cash Fund. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at a rate of 2.50%, commencing January 1, 2013 and maturing on January 1, 2018.

Series 2012 General Obligation Refunding Debt Certificates were issued in November, 2012. \$3,725,000 bonds were issued for the purpose of refunding a portion of the District's outstanding Debt Certificates, Series 2008 and pay certain costs associated with the issuance of the Certificates. Serial retirement of principal occurs on January 1, with interest payable on January 1 and July 1 of each year at rates of 2.00% - 2.50%, commencing January 1, 2013 and maturing on January 1, 2024. Due to favorable interest rates in fiscal year 2013, the District defeased a portion of the 2008 debt certificates by placing the proceeds of the new bonds in an irrevocable trust to provide for certain future debt service payments of the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the District's financial statements. The

### Notes to Financial Statements

### Note 15 Changes in General Long-term Debt (Continued)

reacquisition price exceeded the net carrying amount of the old debt by \$354,448 and is being amortized over the life of the old debt, which is shorter. The transaction resulted in an economic gain of \$165,150 and a reduction of \$186,037 in future debt service payments.

At June 30, 2013, the annual cash flow requirements of bond principal and interest are as follows:

| Year Ending June 30 | Principal   | Interest  | _Total_     |
|---------------------|-------------|-----------|-------------|
| 2014                | \$1,205,000 | \$229,643 | \$1,434,643 |
| 2015                | 1,270,000   | 180,598   | 1,450,598   |
| 2016                | 1,270,000   | 135,358   | 1,405,358   |
| 2017                | 1,325,000   | 101,632   | 1,426,632   |
| 2018                | 725,000     | 70,358    | 795,358     |
| 2019-2023           | 2,020,000   | 189,322   | 2,209,322   |
| 2024                | 425,000     | 10,626    | 435,626     |
|                     | \$8,240,000 | \$917,537 | \$9,157,537 |

The District entered into a capital lease in June, 2013 at an interest rate of 4.23%, to acquire copiers. Monthly payments of interest and principal began in June, 2013. Total payments for the copier equipment are \$111,385 (principal of \$100,239 and interest of \$11,147). The following is an amortization schedule for this lease:

| Year Ending |           |          |           |
|-------------|-----------|----------|-----------|
| June 30     | Principal | Interest | Total     |
| 2014        | \$18,456  | \$ 3,819 | \$ 22,275 |
| 2015        | 19,253    | 3,025    | 22,278    |
| 2016        | 20,081    | 2,193    | 22,274    |
| 2017        | 20,948    | 1,328    | 22,276    |
| 2018        | 19,998    | 424      | 20,422    |
|             | \$98,736  | \$10,789 | \$109,525 |

A computation of the legal debt margin of the District as of June 30, 2013, is as follows:

| Assessed valuation – 2012 tax levy                                | \$1,723,242,610               |
|---|-------------------------------|
| Debt limit – 2.875% of assessed valuation<br>Less applicable debt | \$ 49,543,225<br>_(8,338,736) |
| Legal debt margin   | \$ 41,204,489                 |

### Notes to Financial Statements

#### Note 16 Leases

### **HCC-YMCA Building**

In an agreement made effective July 21, 1977, the Board of Trustees of Highland Community College District #519 and the Young Men's Christian Association of Freeport, Illinois, agreed to jointly construct and operate a multi-purpose recreational facility to be located on the District's campus.

In exchange for sharing the cost, the YMCA has a 50 year lease of the facility upon the terms and conditions set forth in the agreement. The District is entitled to the fair and equitable use of the facilities, the details of which are also set forth in the agreement.

The YMCA reimburses Highland Community College District #519 for its portion of operational costs for the physical education building. This reimbursement is based upon a set formula in which the YMCA reimburses the District for 65% of the operational costs. The total reimbursement amount for fiscal year 2013 totals \$259,719. As of June 30, 2013, the YMCA had paid \$256,250. The YMCA has a balance due of \$3,469 included in accounts receivable at year end.

As part of the lease with Highland Community College, both the District and the YMCA contribute \$1,250 per month to a joint fund used to share the cost of repair and maintenance to the Sports Complex building and to the loop road and parking lot.

The funds are maintained in an interest bearing account and the interest earned is credited to the joint account. These amounts are accounted for as Agency Funds. The allowable expenses from these funds must be approved by the District's Board of Trustees and the YMCA's Board of Directors. As of June 30, 2013, the following amounts were available for the District's share of these expenditures:

| Road and lot         | \$ 78,263 |
|----------------------|-----------|
| Building maintenance | 60,224    |
| Accumulated interest | 47,424    |
| Total                | \$185.911 |

In an agreement dated June 1, 2001, the District agreed to lease to the YMCA the Child Care and Training Center. The YMCA shall pay the District lease payments of \$2,500, payable on the first day of each month, with the last payment of \$3,012 on March 1, 2014. The YMCA also reimburses the District 90% of the electricity costs of the child care center. The lease will terminate on April 1, 2014.

#### Other Leases

Operating Leases: The District leases space at Elizabeth High School for office and classroom purposes, commencing August, 2011 and ending July 31, 2014. No annual rent will be paid by the District, with the District agreeing to pay 80% of the monthly utility expenses and janitorial expenses.

### Notes to Financial Statements

#### Note 17 Short-Term Debt

The District did not engage in any short-term debt activity during the year.

### Note 18 Related Party Transactions

Transactions between the District and Highland Community College Foundation, a related party, took place during the fiscal year. For the year ended June 30, 2013, \$911,346 was received from the Foundation which consists of grants, tuition, Foundation employee salary reimbursements, and miscellaneous expenses. Accounts receivable from Highland Community College Foundation total \$13,674 as of June 30, 2013.

### Note 19 Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees and students; and natural disasters. The District purchases commercial insurance to cover the various risks of loss. The commercial insurance policies contain deductibles which vary with the type of coverage and risk involved. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

#### Note 20 Self-Insurance

The District is partially self-insured for health care benefits provided to its own employees. The purpose of this program is to pay medical insurance claims of the District employees and their covered dependents and minimize the total costs of annual insurance to the District. The health insurance consultant determines premium payments to be made by the District. Annual claims are paid from accumulated premium payments, and claims exceeding accumulated premium payments are paid by the private insurance carrier. Employee and dependent coverage is partially funded by charges to employees and the remainder by the District.

Under the program, the District is responsible for the first \$60,000 of covered charges per individual per year and approximately the first \$1,940,000 of covered charges in aggregate. Health care claims which are more than \$60,000 per individual and \$1,940,000 in aggregate are covered by re-insurance.

The District establishes claims liabilities based on estimates of the ultimate cost of claims (including future claim adjustment expenses) that have been reported but not settled and of claims that have been incurred but not reported. The estimate was provided by management. At June 30, 2013, the amount of these liabilities was \$223,121.

### Notes to Financial Statements

### Note 20 Self-Insurance (Continued)

The following represents changes in those liabilities for the District during the past two years:

| Current Year<br>Year Ending<br>June 30 | Beginning of<br>Fiscal Year<br><u>Liability</u> | Claims and<br>Changes<br>in Estimates | Claim<br>Payments | Balance<br>at Fiscal<br>Year End |
|--|---|---------------------------------------|-------------------|----------------------------------|
| 2011                                   | \$101,854                                       | \$1,911,160                           | \$1,921,266       | \$91,748                         |
| 2012                                   | \$91,748  | \$2,252,481                           | \$2,141,170       | \$203,059                        |
| 2013                                   | \$203,059                                       | \$2,496,981                           | \$2,476,919       | \$223,121                        |

### Note 21 New Accounting Pronouncements

GASB Statement No. 60, Accounting and Financial Reporting for Service Concession Arrangements is effective for the fiscal year ending June 30, 2013. The pronouncement improves financial reporting by addressing issues related to service concession arrangements (SCAs), which are a type of public-private or public-public partnership. Management has determined there is no material effect on the financial statements with regard to the adoption of this standard.

GASB Statement No. 61, The Financial Reporting Entity: Omnibus—an amendment of GASB Statements No. 14 and No. 34 is effective for the fiscal year ending June 30, 2013. The pronouncement modifies certain requirements for inclusion of component units in the financial reporting entity. See Note 1 to the financial statements.

GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements is effective for the fiscal year ending June 30, 2013. The pronouncement incorporates into the GASB's authoritative literature certain accounting and financial reporting guidance that is included in the pronouncements issued on or before November 30, 1989, which does not conflict with or contradict GASB pronouncements. Management has determined there is no material effect on the financial statements with regard to the adoption of this standard.

GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position is effective for the fiscal year ending June 30, 2013. The pronouncement provides financial reporting guidance for deferred outflows of resources and deferred inflows of resources.

GASB Statement No. 64, Derivative Instruments: Application of Hedge Accounting Termination Provisions-an amendment of GASB Statement No. 53 is effective for the fiscal year ending June 30, 2013. The pronouncement clarifies whether an effective

### Notes to Financial Statements

### Note 21 New Accounting Pronouncements (Continued)

hedging relationship continues after the replacement of a swap counterparty or a swap counterparty's credit support provider. Management has determined there is no material effect on the financial statements with regard to the adoption of this standard.

GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities* is effective for the fiscal year ending June 30, 2013. The pronouncement reclassifies, as deferred outflows of resources or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities. See the Statement of Net Position. Additionally, bond issuance costs are now expensed instead of being amortized over the life of the bonds.

### Note 22 Pending Accounting Pronouncements

GASB Statement No. 66, Technical Corrections-2012-an amendment of GASB Statements No. 10 and No. 62 is effective for the fiscal year ending June 30, 2014. The pronouncement resolves conflicting guidance that resulted from the issuance of two pronouncements, Statements No. 54, Fund Balance Reporting and Governmental Fund Type Definitions, and No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements.

GASB Statement No. 67, Accounting and Reporting for Pension Plans - an amendment of GASB Statement No. 25 is effective for financial statements for the fiscal year ending June 30, 2014. This Statement replaces the requirements of Statements No. 25, Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans, and No. 50, Pension Disclosures, as they relate to pension plans that are administered through trusts or equivalent arrangements (hereafter jointly referred to as trusts) that meet certain criteria. The requirements of Statements 25 and 50 remain applicable to pension plans that are not administered through trusts covered by the scope of this Statement and to define contribution plans that provide postemployment benefits other than pensions.

GASB Statement No. 68, Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27 is effective for the fiscal year ending June 30, 2015. This Statement replaces the requirements of Statements No. 27 and No. 50 related to pension plans that are administered through trusts or equivalent arrangements. The requirements of Statements No. 27 and No. 50 remain applicable for pensions that are administered as trusts or equivalent arrangements.

GASB Statement No. 69, Government Combinations and Disposals of Government Operations is effective for the fiscal year ending June 30, 2015. This Statement establishes accounting and financial reporting standards related to government combinations and disposals of government operations. As used in this Statement, the term government combinations include a variety of transactions referred to as mergers, acquisitions, and transfers of operations.

### Notes to Financial Statements

### Note 22 Pending Accounting Pronouncements (Continued)

GASB Statement No. 70, Accounting and Financial Reporting for Nonexchange Financial Guarantees is effective for the fiscal year ending June 30, 2014. This Statement specifies the information required to be disclosed by governments that extend nonexchange financial guarantees. In addition, this Statement requires new information to be disclosed by governments that receive nonexchange financial guarantees.

Management has not completed its assessment of these pending standards as to the effect, if any, they may have on the financial statements.

### Note 23 Board Designated Assets of the Foundation

On October 5, 2011, the United States Department of Education released the Endowment Challenge Grant to the District, as the 20 year investment period was completed on March 31, 2010. During those 20 years, Highland Community College Foundation served as the fiscal agent for the District for the purposes of investing these funds.

During the year ended June 30, 2012, the Foundation Board designated the combined Federal and matching share of the Endowment Challenge Grant. The expenditures from this fund and its proceeds shall be at the suggestion and direction of the Board of Trustees of the District. These assets will remain as such until the District's Board requests all or a portion of these funds.

As of June 30, 2013, \$7,868,788 of assets relating to the Endowment Challenge Grant remains. These funds may be used for any educational purpose including strengthening the District's capability to meet financial goals and increasing student access to quality higher education.

The Foundation retains ownership and fiduciary responsibilities of these funds, but has entered into a memo of understanding with the District's Board as to what these funds will be used for along with the timing for the release of these funds.

### Note 24 Component Unit

The Foundation is a private, not-for-profit organization that reports its financial results under the *Financial Accounting Standards Board (FASB) Accounting Standards Codification* (Codification) which is the source of authoritative generally accepted accounting principles (GAAP) recognized by the FASB. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. The financial statements of the Foundation have been reformatted to comply with the classification and display

### Notes to Financial Statements

### Note 24 Component Unit (Continued)

requirements in GASB Statement 35 on the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position. However, no modifications have been made to the Foundation's financial information in the District's financial reporting entity for revenue recognition or footnote disclosure differences.

### **Summary of Significant Accounting Policies**

Fund Accounting: To ensure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with principles of "fund accounting". This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, the funds are combined and fund balances with similar characteristics are combined and reported. The Foundation follows the accrual basis of accounting.

Under the Codification, the Foundation reports its fund balances as net assets. Net assets are classified into one of three classes of net position based on the existence or absence of donor-imposed restrictions. The following is a description of each class:

Unrestricted: Unrestricted net assets include all net assets, which are neither temporarily or permanently restricted.

Temporarily Restricted: Temporarily restricted net assets include contributed net assets for which donor imposed time and purpose restrictions have not been met and the ultimate purpose of the contribution is not permanently restricted.

Permanently Restricted: Permanently restricted net assets include contributed net assets, which require by donor restriction that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

Cash and Cash Equivalents: Cash and cash equivalents include checking accounts, savings accounts, and repurchase agreements with maturity dated of 90 days or less. Money market mutual funds are considered investments for financial reporting purposes.

Concentration of Credit Risk: The Foundation maintains cash balances in banks. The balances for these accounts at times exceed \$250,000, the amount insured by the Federal deposit Insurance Corporation (FDIC).

**Investments:** Investments are composed of publicly traded securities, which are carried at fair value and money market funds and certificates of deposits, which are carried at cost, but which approximates fair value.

### Notes to Financial Statements

### Note 24 Component Unit (Continued)

### Summary of Significant Accounting Policies (Continued)

**Contributions:** Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporary or permanently restricted net assets depending on the nature of the restriction.

Temporary restricted contributions received in the same year in which the restriction is met are recorded as temporarily restricted contributions and released from restriction.

**Donated Property:** Donated property is recorded at its fair value at the date of donation. If donors stipulate how long the assets must be used or held, the contributions are recorded as restricted support. In absence of such stipulations, contributions of property are recorded as unrestricted support.

Accounting Estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Endowment:** The Foundation's endowment consists of many funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence of absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted state law as requiring the preservation of the fair value of the original gift as the gift date of the donor-restricted endowment funds absent explicit donor stipulation to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the directions of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net position is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the purposes of the Foundation and the donor-restricted endowment fund.

### Notes to Financial Statements

### Note 24 Component Unit (Continued)

The endowment net asset composition by type of fund at June 30, 2013 is as follows:

|                                  | Unrestricted | Temporarily<br>Restricted | Permanently<br>Restricted | Total<br>Endowment<br><u>Assets</u> |
|----------------------------------|--------------|---------------------------|---------------------------|-------------------------------------|
| Donor-restricted endowment funds | \$ -         | \$4,124,934               | \$3,922,718               | \$ 8,047,652                        |
| Board-designated endowment funds | 6,868,987    |                           | -                         | 6,868,987                           |
|                                  | \$6,868,987  | \$4,124,934               | \$3,922,718               | \$14,916,639                        |

Changes in endowment net assets as of June 30, 2013 are as follows:

| Unrestricted | Temporarily<br>Restricted                      | Permanently<br>Restricted  | Total<br>Endowment<br><u>Assets</u>  |
|--------------|--|--|--|
|              |  |  |  |
| \$ 6,101,920 | \$ 4,468,524                                   | \$3,606,393  | \$14,176,837   |

### Investments

Investments consist of the following as of June 30, 2013:

| Money market funds                                | \$    | 582,303 |
|---|-------|---------|
| Certificates of deposits                          |       | 316,060 |
| U.S. Treasury and governmental agency obligations |       | 183,336 |
| Corporate and other obligations                   |       | 944,901 |
| Common stock and equity funds                     | 14.   | 649,474 |
| Property  | -     | 600,000 |
| Total investments                                 | \$17. | 276,074 |

### Notes to Financial Statements

### Note 24 Component Unit (Continued)

#### **Fair Value Measurement**

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at June 30, 2013 are as follows:

|                                 | Fair Value   | Quoted Prices in<br>Active Markets for<br>Identical Assets<br>(Level 1) | Quoted Prices in<br>Inactive Markets for<br>Identical Assets<br>(Level 2) |
|---------------------------------|--------------|---|---|
| U.S. Treasury and governmental  |              |   |   |
| agency obligations              | \$ 183,336   | \$ 183,336  | \$ -  |
| Corporate and other obligations | 944,901      | 944,901   | -   |
| Common stock and equity funds   | 14,649,474   | 14,649,474  |   |
| Property                        | 600,000      |   | 600,000   |
| Total investments               | \$16,377,711 | \$15,777,711  | \$600,000   |

### **Property and Equipment**

A summary of equipment is as follows:

|   | Cost<br>6/30/2012 | Additions | Retirements | Cost <u>6/30/2013</u> |
|---|-------------------|-----------|-------------|-----------------------|
| Equipment                                 | \$ 66,970         | \$ 6,733  | \$(2,158)   | \$71,545              |
| Less accumulated<br>Depreciation          | (42,896)          | (2,823)   | 2,158       | (43,561)              |
| Total, net of accumulated<br>Depreciation | \$ 24,074         | \$ 3,910  | \$          | \$27,984              |

Depreciation is calculated using the straight-line method over 5 and 7 year lives.

#### Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation.

Tax returns filed by the Foundation are subject to examination by the Internal Revenue Service for up to three years from the extended due date of each return. Tax returns filed by the Foundation are no longer subject to examination for the fiscal years ended June 30, 2009 and prior.

Independent Auditor's Report on Compliance with State Requirements for Career and Technical Education Program Improvement Grants and State Adult Education and Family Literacy Grants

Board of Directors Highland Community College District #519 Freeport, Illinois

#### Report on the Financial Statements

We have audited the accompanying financial statements of the Career and Technical Education-Program Improvement and State Adult Education and Family Literacy Grants of Highland Community College District #519 as of and for the year ended June 30, 2013, and the related notes to the financial statements, as listed in the table of contents.

#### Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the grant policy guidelines of the Illinois Community College Board's *Fiscal Management Manual*. Those standards and guidelines require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Career and Technical Education-Program Improvement and State Adult Education and Family Literacy Grants of Highland Community College, Illinois Community College District #519 as of June 30, 2013, and the changes in financial position thereof and for the year ended in accordance with accounting principles generally accepted in the United States of America.

#### Compliance

In connection with our audit, nothing came to our attention that caused us to believe that Highland Community College, Illinois Community College #519 failed to materially comply with the provisions of laws, regulations, contracts and grants between Highland Community College and the State of Illinois and the Illinois Community College Board. However, our audit was not directed primarily toward obtaining knowledge of all such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the College's noncompliance with the above referenced laws, regulations, contracts and grants. We also believe that the District is materially in compliance with the provisions of laws, contracts, and ICCB policy guidelines for restricted grants.

#### **Emphasis of Matter**

As described more fully in Note (1), these financial statements present only the Career and Technical Education-Program Improvement and State Adult Education and Family Literacy Grants and are not intended to present fairly the financial position and results of operations of Highland Community College District #519 in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### Notes to ICCB State Grant Financial Statements

#### Note 1 Summary of Significant Accounting Policies

#### General

The preceding statements (pages 87 - 91) include only those transactions resulting from the Illinois Community College Board (ICCB) Career and Technical Education-Program Improvement and Adult Education and Family Literacy Grants. These transactions have been accounted for in the Restricted Purposes Fund.

#### Basis of Accounting

The statements have been prepared on the modified accrual basis. Expenditures include all accounts payable representing liabilities for goods and services actually received as of June 30, 2013. Funds obligated for goods prior to June 30 for which the goods are received prior to August 31, 2013 are recorded as encumbrances. Unexpended funds are reflected as a reduction to fund balance and a liability due to the ICCB by October 15.

#### c. Fixed Assets

Fixed asset purchases are recorded as a capital outlay and are not capitalized.

### Note 2 Payments of Prior Year's Encumbrances

Payments of prior year's encumbrances for goods received prior to August 31 are reflected as expenditures during the current fiscal year.

### Independent Auditor's Report on the Schedule of Enrollment Data and Other Bases Upon Which Claims are Filed and Reconciliation of Semester Credit Hours

Board of Trustees Highland Community College District #519 Freeport, Illinois

#### Report on the Schedule

We have audited the accompanying Schedule of Enrollment Data and Other Bases Upon Which Claims Are Filed and Reconciliation of Semester Credit Hours of Highland Community College, Illinois Community College District #519 for the year ended June 30, 2013.

#### Management's Responsibility for the Schedule

Management is responsible for the preparation and fair presentation of this schedule in accordance with the guidelines of the Illinois Community College Board's Fiscal Management Manual; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the guidelines of the Illinois Community College Board's Fiscal Management Manual. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedules are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts in the schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Opinion

In our opinion, the Schedule of Enrollment Data and Other Bases Upon Which Claims Are Filed and Reconciliation of Semester Credit Hours referred to above presents fairly, in all material respects, the student enrollment and other bases upon which claims are filed and the reconciliation of semester credit hours of Highland Community College, Illinois Community College District #519 for the year ended June 30, 2013, in conformity with the guidelines of the Illinois Community College Board's Fiscal Management Manual.

#### Other Matter

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of Highland Community College, Illinois Community College District #519 as of and for the year ended June 30, 2013, and our report thereon dated October 8, 2013, expressed as an unmodified opinion on those financial statements.

### Process for Verifying the Residency Status of Students

In-District tuition is paid by individuals who meet the residency requirements and live in the high school districts of Dakota, East Dubuque, Eastland, Forrestville Valley, Freeport, Galena, Lena-Winslow, Mt. Carroll, Orangeville, Oregon, Pearl City, River Ridge, Savanna, Scales Mound, Stockton, and Warren.

Any student who has occupied a dwelling within the District for at least 30 days immediately prior to the scheduled beginning of classes is considered In-District. Proof of residency is verified by the District by obtaining any two of the five criteria:

- 1) Living with parents whose legal residence is within Highland's District.
- Current driver's license.
- Tax, utility, or rent receipt.
- Voter's registration.
- Other verification of residency.

Students may not attain In-District status simply by attending classes at Highland for 30 days or more.

Students who move into the District for reasons other than attending Highland shall be exempt for the 30-day requirement if they demonstrate a verifiable interest in establishing permanent residency. Verification will consist of employment documentation, home purchase documents, and/or other legal documents.

### Background Information on State Grant Activity

#### **Unrestricted Grants**

#### Base Operating Grants

General operating funds provided to colleges based upon credit enrollment.

#### Small College Grants

Funds provided to colleges with full-time equivalent enrollments of less than 2,500 students. Intended to help small colleges pay for some of the "fixed costs" of operating a smaller institution.

#### **Equalization Grants**

Grants provided to institutions with less than the statewide average local tax dollars available per full-time equivalent student.

#### Restricted Grants/Special Initiatives

#### Career and Technical Education-Program Improvement Grants

Grant funding recognizes that keeping career and technical education programs current and reflective of the highest quality practices in the workplace is necessary to prepare students to be successful in their chosen careers and to provide employers with the well-trained workforce they require. The grant funds are dedicated to enhancing instruction and academic support activities to strengthen and improve career and technical programs and services.

#### Statewide Initiatives

<u>Special Incentive Grants</u> - A new request to provide flexible funding for unique initiatives needed in the community college system. The grants will be awarded on a Request for Proposal basis and will focus on higher education priorities such as accessibility, affordability, productivity, partnerships, quality, and responsiveness. In addition, a significant proportion of the dollars available will focus on improving the availability of qualified information technology employees in the State of Illinois.

Other Grants - These other grants are additional contractual grants provided for special or specific system related initiatives. These grants are supported by signed contracts between the college and the State of Illinois. A brief description of each grant should be included in this section. A description of the grants supported by grant agreements may be found in the appendix of the grant agreement governing these grants.

Background Information on State Grant Activity (Continued)

#### Restricted Grants/State

#### State Basic

Grant awarded to Adult Education and Family Literacy providers to establish special classes for the instruction of persons of age 21 and over or persons under the age of 21 and not otherwise in attendance in public school for the purpose of providing adults in the community, and other instruction as may be necessary to increase their qualifications for employment or other means of self-support and their ability to meet their responsibilities as citizens including courses of instruction regularly accepted for graduation from elementary or high schools and for Americanization and General Education Development Review classes. Included in this grant are funds for support services, such as student transportation and child care facilities or provision.

#### Public Assistance

Grant awarded to Adult Education and Family Literacy providers to pay for instruction, fees, books, and materials incurred in the program for students who are identified as recipients of public assistance.

#### Performance

Grant awarded to Adult Education and Family Literacy providers based on performance outcomes.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Trustees Highland Community College District #519 Freeport, Illinois

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities, and the aggregate discretely presented component unit of Highland Community College, Illinois Community College District #519 as of and for the year ended June 30, 2013 and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated October 8, 2013.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Highland Community College's internal control. Accordingly, we do not express an opinion on the effectiveness of the Highland Community College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Highland Community College's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

Wipfli LLP

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is in integral part of an audit performed in accordance with *Governmental Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance For Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

To the Board of Trustees Highland Community College District #519 Freeport, Illinois

#### Report on Compliance for Each Major Federal Program

We have audited the Highland Community College, Illinois Community College District #519's compliance with the types of compliance requirements described in the *OMB Circular A-133* Compliance Supplement that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2013. The District's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Highland Community College District #519's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the District's compliance.

#### Opinion on Each Major Federal Program

In our opinion, Highland Community College District #519 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

#### Report on Internal Control Over Compliance

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing and opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the business-type activities and the aggregate discretely presented component unit of Highland Community College District #519 as of and for the year ended June 30, 2013, and the related notes to financial statements, which collectively comprise Highland Community College #519's basic financial statements. We issued our report thereon dates October 8, 2013, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a

required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

### Notes to Schedule of Expenditure of Federal Awards

#### Note 1 Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Highland Community College District #519 under programs of the federal government for the year ended June 30, 2013. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Government, and Non-Profit Organizations. Because the schedule presents only a selected portion of the operations of Highland Community College District #519, it is not intended to and does not present the financial position, changes in net position or cash flows of Highland Community College District #519.

#### Note 2 Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-21, Cost Principles for Education Institutions, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

#### Note 3 Sub-Recipients

For the year ended June 30, 2013, the District had no sub-recipients of federal funds.

#### Note 4 Nonmonetary Assistance

For the year ended June 30, 2013, the District received no federal funds in the form of nonmonetary assistance.

#### Note 5 Other Federal Award Information

Highland Community College District #519 has no loans or loan guarantees at fiscal year end June 30, 2013.
