

## **How to Create a YouTube account.**

- 1: Open your web browser of choice and go to [www.youtube.com](http://www.youtube.com).
  2. In the upper left corner of the YouTube page you will see the words **SIGN IN**. Click on these words.
  3. Next you will be asked to log into your Gmail account (if you have one) or you can click the create account option at the bottom.
  4. On this page Google will start to walk you through the Google Account setup process. Enter your name and email address. You will also be asked to create a password for this new Google Account.
  5. Once you've filled out all the fields you can click the Next step button. You'll then be asked to confirm that you agree with Google's Privacy and Terms. Once you've done that you'll just need to confirm your account by following the instructions sent to your email address that you gave.
- And that's it! You've officially set up a YouTube account.
