Highland Community College is proud to be a DAISY Award for Extraordinary Students Partner, recognizing one of our Student Nurses with this special honor each year.

Each DAISY Award for Extraordinary Student Honoree will be recognized at a public ceremony at Highland Community College and will receive a beautiful certificate, a DAISY in Training Award pin, and a hand-carved stone sculpture entitled A Healer's Touch.

DAISY Award for Extraordinary Nursing Students Nomination Form

The *DAISY in Training Award*® is designed to remind students, even on the hardest days in nursing school, why you want to be a nurse. By recognizing nursing students for the above-and-beyond care and compassion shown to patients and their families, we celebrate what it truly means to be a nurse. We honor the nurse-patient *connection* that makes all the difference to patients and their families in their healthcare experience and that makes great nurses truly great.

**Celebrating Student Nurses for their
Commitment to Compassionate Patient
Care and for Outstanding Clinical Skill**

The DAISY Award for Extraordinary Nursing Students

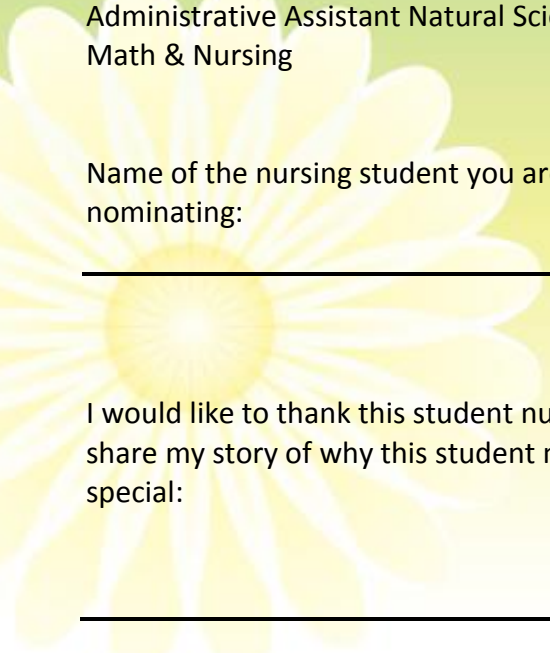

To Nominate an Extraordinary Student

Nurse:

Anyone may thank a deserving nursing student by filling out this form and submitting it to the Administrative Assistant Natural Science/ Math & Nursing

Name of the nursing student you are nominating:

I would like to thank this student nurse and share my story of why this student nurse is so special:

About The DAISY Foundation An acronym for Diseases Attacking the Immune System, The DAISY Foundation was established in 1999 in memory of J. Patrick Barnes who died (at the age of 33) from complications of the auto-immune disease Idiopathic Thrombocytopenic Purpura (ITP). Patrick's family was very touched by the remarkable compassion and clinical skill demonstrated by Patrick's nurses during his illness, so they created DAISY to recognize exceptional nurses everywhere. The DAISY Foundation is dedicated to saying Thank You to Nurses and is now proud to recognize Nursing Students for their care of patients and their families.
