INSTITUTE

2019 – 2020 PROGRAM INFORMATION

The **Leadership Institute** is a community leadership development program. Patterned after other successful community leadership efforts across the United States, the **Leadership Institute** seeks participants who display a keen interest in serving the community in some leadership capacity.

Seminar subjects are designed to give program members pertinent information about leadership and on various important community topics ***chosen from the input of each class***. Material will be presented in once-a-month, full day sessions from September 2019 to May 2020.
