HIGHLAND COMMUNITY COLLEGE BOARD

AUTHORIZATION TO ENTER INTO DUAL CREDIT AGREEMENTS
WITH CAREERTEC, JO DAVIESS CARROLL CTE ACADEMY, AND
AREA HIGH SCHOOLS FOR THE 2020 – 2021 ACADEMIC YEAR

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees authorizes
the College President to enter into dual credit agreements for the 2019 – 2020 academic year.
The agreements may include, but are not limited to, the following educational institutions:
CareerTEC, Jo Daviess Carroll CTE Academy, district high schools including Aquin, Dakota,
East Dubuque, Forrestville Valley, Freeport, Galena, Orangeville, Oregon, Pearl City, Scales
Mound, Stockton, Warren, and West Carroll, and out-of-district high schools including Byron,
Belvidere, Belvidere North, Hinckley-Big Rock, and Stillman Valley.

BACKGROUND: The dual credit agreements represent the ongoing relationship and
partnership between Highland Community College and CareerTEC, Jo Daviess Carroll CTE
Academy, and in- and out-of-district high schools. Through these agreements, we are able to
provide a mechanism that allows high school students to enroll in specific classes at their high
school, career center, or Highland Community College and simultaneously earn high school and
college credit, as approved by each local district. These agreements conform with the guidelines
and directive of the Illinois Community College Board.

MEMORANDUM OF UNDERSTANDING BETWEEN
HIGHLAND COMMUNITY COLLEGE AND
WEST CARROLL SCHOOL DISTRICT

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees approves the
attached Memorandum of Understanding (MOU) between Highland Community College and
West Carroll School District to be used for the Linking Talent with Opportunity (LTO) grant.

BACKGROUND: The College has a signed agreement to partner with Rock Valley College on
the LTO grant project. One core component of the grant is to have Pathways start at the high
school level in which students earn Dual Credit and the attached MOU would be used as part of
the pathways delivery process. See attached MOU.

BOARD ACTION: ________________________________
Linking Talent with Opportunity Program ("LTO") Dual Credit Memorandum of Understanding between Highland Community College and West Carroll School District

This Memorandum of Understanding ("MOU" or "Agreement") is entered into this 1st day of August, 2020 between West Carroll School District ("School District"), located at 500 Cragmoor Street, Savanna, Illinois 61074 and Highland Community College, located at 2998 W Pearl City Rd, Freeport, Illinois 61032 (collectively, the "Parties").

WHEREAS, School District and Highland Community College working together would like to offer high school students enrolled in School District an opportunity to receive dual high school and college level credit through the "Linking Talent with Opportunity" Program (hereinafter "LTO"); and

WHEREAS, the Parties desire to enter into this MOU or Agreement to facilitate the transition of students from secondary coursework into Highland Community College; and

WHEREAS, the Parties herein desire to enter into an Agreement setting forth the services and guidelines to be provided and followed by each Party.

NOW, THEREFORE, it is hereby agreed by and between the Parties as follows:

1. School District and Highland Community College will, each school year, make available to eligible students participating in the LTO Program agreed upon "dual credit courses," as listed in Appendix A which is attached hereto and incorporated herein. Decisions on what specific courses will be available in any given school year will be made on or before May 15, 2020 and made available to students within School District.

2. All dual credit courses shall be taught by qualified School District Instructors ("School District Dual Credit Instructors") or in some cases Highland Community College Instructors during the academic year.

3. All dual credit courses shall be taught at the School District’s campuses or in some cases at Highland Community College or delivered through alternative delivery methods.

4. It is further agreed upon by the Parties that School District, on an annual basis, will:

   a. Verify that School District Dual Credit Instructors meet Highland Community College’s faculty credential qualifications to teach by submitting a Highland Community College Dual Credit Course Similarities form and the Highland Community College Instructor Information Form, current resume, and an original copy of all official college transcripts to the Highland Community College Coordinator of Dual Credit/Outreach;

   b. Be responsible for collaborating with Highland Community College Coordinator of Dual Credit/Outreach to submit a completed student enrollment form and the Dual Credit/Dual Enrollment Agreement;

   c. Work with the Highland Community College Coordinator of Dual Credit/Outreach to ensure that participating students meet the College's placement requirements necessary for each class, which may include English, Reading, and/or Mathematics, prior to registering for a class, if applicable;

   d. Ensure that participating students meet the course prerequisite or co-requisite eligibility requirements, as applicable;
e. Upon request, send Highland Community College an initial roster, by August 15 for the fall semester and January 15 for the spring semester;

f. Ensure that School District Dual Credit Instructors follow Highland Community College’s master course syllabus or other College-approved syllabi. Identified Highland Community College learning outcomes will be utilized for each course along with appropriate textbooks as agreed upon by School District and Highland Community College;

g. If School District chooses to utilize textbooks from Highland Community College Bookstore, they need to contact the bookstore by the timetables established by Highland.

h. Be responsible for School District Dual Credit Instructors submitting a final course syllabus to the Highland Community College Coordinator of Dual Credit/Outreach by the end of the first week of Highland classes each semester;

i. Allow the appropriate Highland Community College Academic Dean, Highland Community College faculty member, or College designee access to complete a classroom observation which will be shared with the School District Dual Credit Instructor and Administration. This evaluation shall be limited to the course and the ability of the Instructor to deliver quality, rigorous college credit coursework. This evaluation shall not be utilized as part of any school district Instructor’s performance evaluation under Article 24A of the School Code;

j. Require all School District Dual Credit Instructors to complete the following steps in accordance with the Highland Community College academic calendar as outlined in Appendix B which is attached hereto and incorporated herein: a midterm grading roster and final grading roster as required by Highland Community College’s Enrollment Services office by the specified deadlines for that semester;

k. Attend an annual mandatory orientation meeting between the School District and Highland Community College to discuss dual credit processes and procedures;

l. Distribute on the first day of class a course syllabus to each student registered in a dual credit section;

m. Ensure that unqualified students (those students who do not meet all the course eligibility prerequisites) are not allowed to enroll in the same section with qualified students. All students in the dual credit section must meet Highland Community College prerequisites;

n. Participate in Highland Community College’s periodic assessment of student learning activities;

o. Provide at their cost a School District Dual Credit Instructor that is qualified to deliver dual credit instruction in compliance with the Illinois State Board of Education (“ISBE”), ICCB, and the Higher Learning Commission (“HLC”) and will provide at its cost appropriate academic support to participating students to ensure delivery of quality instruction.

p. Provide associated instructional costs such as instructional materials and supplies, as needed.

q. If the School District cannot provide instructional coverage and Highland Community College has capacity, at their cost, a separate agreement will need to be drafted to outline the responsibility for
expenses associated with their proposed instructional delivery of the dual credit course at the School District.

r. Ensure that all authorizations needed for the sharing of information about a participating student, which may be required under FERPA or the Student Records Act, are obtained from students participating in the dual credit program.

5. It is agreed by the Parties that Highland Community College will:

g. Provide appropriate placement testing to participating students, as required;

h. Award appropriate college credit and record student grades on a permanent college transcript which will be maintained by Highland Community College;

i. In instances when a Highland Community College Instructor is teaching the course, Highland will provide the School District with the final grade for each participating student at the end of the semester;

j. Review this MOU annually for accuracy; and

k. Host an annual orientation meeting between the School District and College to discuss dual credit matters.

6. Modifications to this agreement may be mutually agreed upon by the Parties and effective once in writing and signed by the parties. Such modifications will not jeopardize credit for the students currently enrolled in courses covered under this agreement.

7. This Agreement may be terminated by mutual agreement of the parties upon 30 days notice if a party is in breach and has failed to cure after being given notice by the non-breaching party. The Agreement shall continue, from year to year, absent formal notice from a Party of intent to non-renew given at least 60 days prior to the annual renewal.
8. This agreement will be in effect for the 2020-2021 school year.

All quizzes will be given during the first ten minutes of class time; tardy students will not be allowed extra time on the quiz. Quizzes missed will due to an excused absence must be completed within 2 days of the original quiz. Makeup quizzes may differ from the original.

Exams
Lecture exams will cover the material assigned in the readings and covered in lecture and labs. Exams can consist of multiple choice, short answer, labeling, fill-in-the-blank, matching, and essay questions.
Exams must be taken on the day they are scheduled, if a student must miss an exam due to an excused absence they must email the instructor and an alternative time to take the exam will be scheduled. Exams must be completed within 2 days of the original exam. Make up exams may differ from the original.

Unexcused absences on exam days will result in a different, more difficult exam being given that will be open to all assigned readings and lab activities, this exam will also lose 10 points per day the exam is missed until it is taken.
