When you make a gift to the *Highland Community College Annual Fund*, you

- Guarantee an education for those with the greatest potential, not the greatest advantages
- Help us respond quickly to students' unexpected needs
- Help us teach students to ask important questions for the rest of their lives
- Give to a place where your gift makes a real difference in creating leaders for our future.

Even a small gift can make a BIG DIFFERENCE
for the students of Highland Community College.

1962 LEADERSHIP SOCIETY

HIGHLAND COMMUNITY COLLEGE FOUNDATION

Annual membership in this new leadership society is reserved for those who give generously to Highland Community College. **1962 Leadership Society** members give \$750 or more to the Annual Fund in the current fiscal year, which runs from July 1 to June 30.

The Highland Community College Foundation was created in 1962 as the first two-year college foundation in the State of Illinois. This Leadership Society focuses on the visionary, greatest needs of the College just as when we were first founded years ago. Your gift of \$750 secures you as one of our leading annual donors providing additional scholarship opportunities and ensuring the greatest needs of Highland Community College are met each year.

Thank you

for being part of education that matters.

It may take me a very long time to become a doctor, but I will stop at nothing to achieve this lifetime goal. After I become a doctor, I hope that one day I will be able to own my own clinics and help lower income families ...this scholarship is helping me further my education and helping me achieve greater things, not only for myself but for my family and for other girls like me in the world who don't receive the right help, guidance, or role models in life.
