A MESSAGE FROM OUR PRESIDENT

Welcome to another exciting year of Cougar basketball! Please let me take a moment to introduce myself. While I am new to the President position at Highland Community College, I am not new to Highland. My family and I moved here from southern Illinois in 2015 when I accepted the Executive Vice President position. My first basketball season, I quickly realized what all the excitement was about – there is something very special about Highland Cougar basketball! Our daughter, Mara, caught the excitement, too! She enrolled in classes at Highland and suggested that the team needed cheerleaders. She and a friend went through the approval process to add cheerleading and energetically cheered on the Cougars. A couple years later, a dance team also began performing at the ballgames.

While the players may not be playing in front of large crowds this year, they will be playing in the newly renovated Larry F. Kahl Gymnasium. Through Protection, Health, and Safety funds, the College was able to replace the gym floor and bleachers, making the bleachers ADA accessible. The College was also able to use bond funds to air condition the gymnasium and complete other much needed updates. The Cougar logo was also updated in the process. I'm sure you will agree that the difference is amazing.

Although COVID-19 has changed many things, one thing remains the same – our student-athletes will continue to play their hardest and represent Highland to the best of their abilities, while remaining students first. We appreciate their persistence and competitive drive during these challenging times. Thank you for continuing to support Highland Community College and Cougar athletics!

Good luck, Cougars!

Christina Kuberski

SOME THINGS NEVER CHANGE

Since 1902, it has been our mission to improve health and provide superior, quality healthcare services with **respect, dignity** and **compassion**. Thanks to you, the communities we serve in northwest Illinois, we do that for 1,500 people every day, offering 40 specialties from allergy treatment to wound care at 19 locations in 5 counties throughout northwest Illinois.

FHN is deeply committed to the communities where we live and serve. Each year we administer more than 4,000 health screenings at no charge and offer health information at many community events. Our people volunteer thousands of hours each year for everything from health fairs and festivals to serving on committees and boards of many local organizations.

**Thank you for entrusting us
with your care for 119 years.**

We're glad to be here, for you.

We're here, for you.

FHN

JUST ONE CALL: Find a primary care provider and have your first appointment set before you hang up the phone at 1-877-600-0346, ext. 965.
