### About Our Program

This program is designed for the student intending to transfer to a senior institution to complete a baccalaureate degree. Students who are undecided about their majors may follow this guideline. All courses may be applied to a major.

### Nature of Work and Employment

Many employers seek employees with a non-specific baccalaureate degree. They desire applicants who possess a general body of knowledge rather than a specific concentration.

### Special Considerations

Listed coursework is a recommendation only. Students should check with a student advisor for HCC graduation requirements and specific university requirements in this major. Students must meet with an advisor to ensure that the special requirements of the department and institution to which they plan to transfer are met. Colleges and universities have specific requirements for transfer students.
