Introduction to the Security and Safety Report

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal law which requires colleges and universities to publish an annual security report containing campus security policies and procedures as well as crime statistics. The Clery Act was enacted in 1990 and amended in 1991, 1992, 1998, 2000, 2008 and 2013. All statistics in this Annual Security Report are presented and updated in compliance with all amendments to the act.

Daily Crime Log

Sheriff's department personnel, stationed on campus, maintain a Daily Crime Log which is available to the public for review, at the Campus Security Office in the Student/Conference Center room H114, from 8 a.m.– 5 p.m. Monday through Friday, excluding holidays.

Safety on the HCC Campus

Highland Community College (HCC) takes campus security and safety seriously. HCC, located at 2998 West Pearl City Road, Freeport, IL operates in an open environment and provides security and safety for guests and staff at all times. Uniformed Sheriff's department personnel are on campus from 7:30 am to 11:00 pm weekdays and College custodial/maintenance staff members are on campus 24 hours per day Monday through Saturday. Access to College buildings is controlled after normal hours. The campus is continuously monitored by Campus Emergency Operations Team members and custodial/maintenance staff members and by video surveillance. The map below represents a graphical depiction of the HCC campus boundaries. Generally speaking, HCC's campus is bordered by the College's loop road with the exception of the athletic fields, which are directly across from the loop road.

Policy Statement Addressing Security and Access

During normal business hours, the College will be open to the public, which includes but is not limited to students, parents, employees, contractors, guests, and invitees. During nonbusiness hours, access to the buildings is restricted; contact security in order to enter the buildings.

HCC Sheriff's Deputies conduct routine patrols of campus buildings to evaluate and monitor security related matters. To reach the HCC Sheriff's Deputies, call 815-599-3652.

The College does not own or control on campus student housing facilities, which is defined by the Clery as the following: any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus.

Security Considerations Used in the Maintenance of Campus Facilities

HCC maintains campus facilities in a manner that minimizes hazardous and unsafe conditions. Parking lots and pathways are illuminated with lighting. HCC Sheriff's Deputies work closely with Facilities Management to address burned out lights promptly as well as malfunctioning door locks or other physical conditions that enhance security. Other members of the College community are helpful when they report equipment problems to HCC Sheriff's Deputies or to Facilities Management.

Policy Statement on the Relationship between HCC and Stephenson County Sheriff's Department

The College recognizes that laws and rules are necessary for society to function and supports the enforcement of law by governmental agencies and rules by officials of the College. All persons on the campus are subject to these laws and rules at all times. The College is an open campus and law enforcement officers may enter the campus to conduct business as needed.

HCC does not maintain an in-house police department. HCC has a contractual relationship with the Stephenson County Sheriff's Department. Sheriff's Department Deputies staff the Campus Security office located in H114, and patrol campus weekdays from 7:30 am to 11:00 pm, and are referred to as HCC Sheriff's Deputies and/or Campus Security throughout this report. The response time of additional Sheriff's Department Deputies is typically less than ten minutes for emergency calls.

HCC Sheriff's Deputies and Campus Emergency Operations Team members are immediately notified of all crime on campus via the two-way radio, telephone (campus phones and/or cellular phones) or via a notification system tied to campus telephones. Campus Emergency Operations Team members and custodial/maintenance staff members rely on the two-way radio or telephone to contact the Stephenson County emergency dispatch center for law enforcement emergencies or emergency medical needs. The College relies upon telephone and an automated fire alarm and monitoring service for reporting fire emergencies to dispatch. All victims are offered an opportunity to report crimes to HCC Sheriff's Deputies or HCC staff, as identified in the "Policy Statement Addressing How to Report Criminal Offenses" section below.

Stephenson County Sheriff's Deputies and HCC share crime data with each other on a regular basis. Frequent meetings or telephone conversations between the Stephenson County Sheriff (or his designee) and the HCC Campus Emergency Operations Team members allow for exchanges of routine information on a timely basis. Additionally, special needs are communicated between agencies as they occur. Instances in which other resources are needed are determined jointly between the Stephenson County

Sheriff and the HCC Campus Emergency Operations Team. Crimes committed at off campus facilities under the control of Highland Community College will be disclosed in these statistics.

Policy Statement Addressing Issuing Timely Warnings

In the event that a situation arises, within the HCC Clery Geography, that, in the judgment of the Public Information Officer, constitutes an ongoing or serious threat, a campus wide timely warning will be issued. The warning will be issued through the HCC website, by email, and/or through the text messaging system.

Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications:

- Murder/Non-Negligent Manslaughter
- Aggravated Assault (cases involving assaults among known parties, such as two students fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an ongoing threat to the larger HCC community)
- Robbery involving force or violence (cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a case-by-case basis)
- Sexual Assault (considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount information known by the institution). In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a “timely” warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed for potential issuance of a Timely Warning Notice.
- Major incidents of Arson
- Other Clery crimes as determined necessary by the institution

Timely Warning Notices may also be posted for other crime classifications and locations, even though that is not required by the law, at the sole discretion of HCC.

Timely Warning Notices will be distributed as soon as pertinent information is available, in a manner that withholds the names of victims as confidential, and with the goal of aiding in the prevention of similar occurrences.

Timely Warning Notices are typically written and distributed by the Public Information Officer, or designee.

The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

Anyone with information warranting a timely warning should report the circumstances to Campus Security by campus emergency telephone (press “Campus Security” button), by telephone at 815-599-3652, or in person at the Sheriff’s on-campus office in H-114.

Policy Statement Addressing How to Report Criminal Offenses

To report a crime on campus:

Contact HCC Sheriff's Deputies from a campus emergency telephone (press "Campus Security" button), at 815-599-3652, or dial 9-1-1 (emergencies only) to report a crime. Any suspicious activity or person seen in the parking lots or loitering around vehicles, or inside building should be reported to the campus security. In addition, you may report a crime to our designated Campus Security Authorities.

Campus Security Authorities (CSA) include:

- HCC Administrators (President, Vice President, Dean, or Director)
- Title IX Coordinator
- Athletic Coaches
- Title IV Coordinator

Students wishing to confidentially report a sexual assault may do so by contacting the confidential advisor through the online incident report, available on the HCC website at the following link:

<https://cm.maxient.com/reportingform.php?HighlandCC>

Policy Statement Addressing Voluntary Anonymous Reporting and Confidential Reports of Sexual Assault

If you are the victim of a crime and do not want to pursue action within the college system or the criminal justice system, you may still want to consider making a report. You can file an anonymous report on the details of the incident without revealing your identity through the on-line reporting tool, available on the HCC website at the following link:

<https://cm.maxient.com/reportingform.php?HighlandCC>

Students wishing to confidentially report a sexual assault may do so by contacting the confidential advisor through the online incident report, available on the HCC website at the following link:

<https://cm.maxient.com/reportingform.php?HighlandCC>

The purpose of a confidential report of sexual assault is to comply with your wish to keep the matter confidential, while taking steps to receive counseling, assistance, and access to local resources. The purpose of anonymous reporting is to allow the College to investigate and work to prevent future incidents. With such information, the college can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

HCC Sheriff's Deputies encourage anyone who is the victim or witness of any crime to promptly report the incident to the police. HCC Sheriff's Deputies do not have a voluntary confidential reporting process because police reports are public records under state law, thus HCC Sheriff's Deputies cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics should follow the reporting and disclosure procedures included above. CSAs are also Responsible Employees under Title IX, and they are obligated to share reported information involving sexual misconduct, domestic/dating violence and stalking, including information about the identity of the victim and accused, with the Title IX Coordinator. Reports to the confidential advisor will remain confidential unless the victim chooses to report the incident to a CSA at a later date. Professional counselors are encouraged to inform their clients, if and when they deem it appropriate, of the procedures to report crimes to primary CSAs, when they deem it appropriate.

Policy Statement Addressing Campus Law Enforcement Authority

HCC employees have the authority to ask persons for identification and to determine whether individuals have lawful business at HCC. HCC custodial and maintenance staff have the authority to issue parking tickets. HCC custodial and maintenance staff do not possess arrest power. Criminal incidents are referred to the Stephenson County Sheriff's Department who have jurisdiction on the campus and off campus, since they are sworn HCC Sheriff's Deputies. All crime victims and witnesses are strongly encouraged to immediately and accurately report the crime to the Sheriff Department's on-campus Office (located in H-114 and at 815-599-3652) and/or the appropriate police agency, including when the victim elects to, or is unable to, make such a report.

Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

HCC Sheriff's Deputies have the authority to enforce College policies, and state and Federal laws and to make arrests. Student policy and code of conduct violations will also be referred to the due process procedures as outlined in the Student Code of Conduct, included in the College catalog.

HCC security and the Stephenson County Sheriff have a contractual agreement. Each department augments the other during mutual investigations, arrests, and prosecutions. HCC Campus Emergency Operations Team members regularly communicate with local law enforcement agencies to exchange ideas and problems which may be of concern for HCC.

There are no written agreements or memorandums of understanding regarding any topics, including the investigation of criminal incidents, between HCC and the local police department.

Policy Statement Addressing the Encouragement of Accurate and Prompt Crime Reporting

Community members, students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents to the HCC Sheriff's Deputies in a timely manner.

To report a crime in progress or an emergency on the HCC campus, press "Emergency 911" button from a campus emergency telephone, call 9-1-1, or call 815-599-3652. To report a non-emergency security or public safety matter, call campus security at 815-599-3652.

Response to Reports

HCC student behavioral misconduct incident reports involving students are forwarded to the Vice President of Student Development and Support Services for review and potential action by the Vice President of Student Development and Support Services. College investigators will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Behavioral Intervention Team if a threat assessment is deemed necessary.

If assistance is required from the local police departments or fire departments, HCC will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene will offer the victim a wide variety of services and agencies to contact as outlined in the resources for victims of sexual assault, published on the HCC website. Procedures related to Title IX are followed as required.

Crimes should be reported to the HCC Campus Sheriff's Deputies and/or HCC campus security authority to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Policy Statement Addressing Counselors and Confidential Crime Reporting

Campus professional counselors are not considered to be a campus security authority and are not required to report for inclusion into the annual disclosure of crime statistics except for when they believe the person is a potential harm to themselves or others. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

Professional Counselor

A professional counselor is an employee of an institution whose official responsibilities include providing psychological counseling to members of the College and who is functioning within the scope of his or her license or certification. HCC contracts with New Horizons Counseling Center and VOICES to offer professional counseling services to students seeking assistance. The professional counselor is a member of HCC's Behavioral Intervention Team. The VOICES counselor also serves as the College's Confidential Advisor.

Policy Statement Addressing Security Awareness and Crime Prevention Programs for Students and Employees

During student orientation sessions and in the First Year Experience Seminar, students are informed of services offered by HCC Sheriff's Deputies. Students are told about crime on campus and in surrounding neighborhoods.

Similar information is presented to new employees. Crime Prevention Programs, drug and alcohol awareness, and Sexual Assault Prevention Programs are offered on a continual basis. ALICE training is provided to all employees on an ongoing basis.

During the 2019-2020 academic year, HCC offered approximately 16 crime prevention and security awareness programs for students (approximately 926 duplicated students) and 76 duplicated employee trainings. Periodically college organizations present crime prevention awareness sessions on sexual assault (rape and acquaintance rape), drug and alcohol abuse, theft, and vandalism. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

When time is of the essence, information is released to the college community through security alerts posted prominently throughout campus, through the college's email, and text messaging systems.

Policy Statement Addressing Title IX, Sexual Harassment and Sexual Violence Awareness and Prevention on HCC's Campus

HCC takes sexual harassment and sexual violence very seriously. Board Policies 3.27 Sexual Misconduct and Violence and 4.034 Sexual and Other Harassment are as follows:

3.27 Sexual Misconduct and Violence (Revised 11/26/19)

Highland Community College prohibits students, employees, volunteers, or those on College property or those at College events, from engaging in sexual assault, dating violence, domestic violence, and stalking. Such conduct violates the values and principles of our institution and disrupts the learning and working environment for students, faculty, staff, and others. Conduct of students, employees, volunteers, or others on College property or at College events that is in violation of this Policy and reported to the College will be investigated, and where appropriate, result in action by the College.

Highland Community College definitions for the purposes of enacting this policy include:

Sexual Misconduct includes sexual harassment as identified in policy 4.034, sexual assault, domestic violence, dating violence, or stalking.

Consent is an affirmative, unambiguous and freely given agreement to the act of sexual penetration or sexual conduct. Use of alcohol, drugs, or other intoxicants does not diminish one's responsibility to obtain consent. Consent must be knowing and voluntary. To give consent, a person must be awake, of legal age, and have the capacity to reasonably understand the nature of his/her actions. An individual's manner of dress cannot independently provide consent. Consent cannot be given by an individual who is mentally or physically incapacitated through the effect of drugs, alcohol or other intoxicants or for any other reason. Consent cannot be given when it is coerced, forced, or obtained by use of duress, fear, threats, or violence. Consent is not implied by the existence of a prior or current relationship, participation in prior sexual activity, or the lack of any verbal or physical resistance. Consent to engage in sexual activity may be withdrawn at any time and is automatically withdrawn by a person who is no longer capable of giving consent.

Sexual Assault is any type of sexual contact or behavior that occurs without consent of the recipient of the unwanted sexual activity. It also includes sexual acts against people who are unable to consent either due to age, incapacity, or physical or mental disabilities.

Domestic Violence is defined by Illinois law as physical abuse, harassment, forcible actions, or interference with the personal liberty of another family or household member (including but not limited to spouses, former spouses, dating partners, and people who share a home, such as roommates).

Domestic violence can be physical, sexual, emotional, economic, or psychological. It includes any behaviors that are intended to intimidate, manipulate, frighten, terrorize, coerce, threaten, injure, or wound someone.

Dating Violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The nature of dating violence can be physical, emotional, or sexual. Dating violence is a form of domestic violence and is also known as intimate partner violence.

Stalking is committed when a person (a) engages in a course of conduct directed at a specific person, and the conduct would cause that person to fear for his or her safety or the safety of another, or suffer other emotional distress; (b) follows/observes a person on at least two separate occasions and transmits a threat, or causes fear of bodily harm, sexual assault, confinement, or restraint of that person or a family member; or (c) has previously been convicted of stalking and on one occasion follows/observes that same person and transmits a threat of bodily harm, sexual assault, confinement, or restraint to that person or a family member.

Reporting Procedures:

It is the express policy of the College to encourage victims of sexual misconduct, regardless of where the incident occurred, to come forward with such claims. Claims not involving Highland students, employees, volunteers, or not occurring on Highland property, should be reported to law enforcement. In order to permit Highland to perform an investigation of incidents involving students, staff, or those on college property, any incident of sexual misconduct should be reported as follows:

1. **Formal Reporting by a Victim or Bystander (third party) Reporting to a College Official:**
When a report of an incident of sexual misconduct or violence is made by a student it will be investigated by Liz Gerber, the Title IX Coordinator or a deputy investigator.

Reports of incidents by College employees may be made to the Title IX Coordinator or filed electronically. If the Title IX Coordinator is the offending person, reports may be made to the Director of Adult Education (investigator) or the Associate Vice President of Human Resources (investigator) who will investigate the complaint. Incidents can be reported in the following ways:

- Leave a private voice message for the Title IX Coordinator at (815) 599-3531;

These individuals will listen and identify resources or explain options available to those persons who make a confidential report. They can also supply the individual with information regarding medical care and the range of options available to them for reporting or seeking help from law enforcement. **DISCUSSING OPTIONS WITH THESE INDIVIDUALS DOES NOT CONSTITUTE AN OFFICIAL COLLEGE REPORT AND WILL NOT, ABSENT FURTHER CONSENT AND REPORTING, RESULT IN INVESTIGATION BY THE COLLEGE.**

Victims are strongly encouraged to report incidents of sexual misconduct or violence to law enforcement. If requested the College will provide assistance in making reports to law enforcement. Students may also report to a Stephenson County Sheriff's Sargent or Deputy assigned to the campus. Reports will also be made to the Title IX Coordinator by law enforcement assigned to campus. For example the Title IX Coordinator or investigator is required to disclose certain information to the alleged victim, complainant, accused or witnesses as necessary to give fair notice of the allegations and to conduct the investigation; to other college officials as necessary for coordinating interim measures or for health, welfare, and safety reasons; and to government agencies who review the college's compliance with federal law. The written investigation report for formal complaints and written decision will be disclosed within seven days of the decision to the alleged victim, complainant, respondent, Title IX Coordinator, and Tim Hood, College president, and Liz Gerber Vice President for Student Development and Support Services. It will be distributed to other college officials as necessary to prepare for subsequent proceedings (e.g., legal counsel or due process hearings).

Immediate Care, College Response and Interim Measures

Victims of sexual misconduct may obtain a forensic medical examination at no cost pursuant to the Sexual Assault Survivors Emergency Treatment Act. The nearest facility to campus with this

service is FHN Hospital at 1045 West Stephenson Street, Freeport, IL. The hospital's telephone number is 815-599-6000.

The College will provide victims and complainants with written information about the survivor's rights and options. To the extent necessary the college may take interim measures to assist or protect the parties during the inquiry or investigation process, as deemed necessary and when appropriate with the alleged victim's consent. Complaint Response and Investigation

The College will have a sufficient number of individuals trained to resolve complaints so that a substitution can occur in the case of a conflict of interest or recusal and an individual or individuals with no prior involvement in the initial determination or finding hear any appeal brought by a party.

The College will provide assistance in reporting to law enforcement (if requested) and will investigate complaints made regarding violations of this policy in a timely manner using the process outlined below:

A person who has experienced, witnessed, or otherwise knows of sexual misconduct in violation of this Policy may file a Formal Complaint by contacting the Title IX Coordinator. A formal complaint may be made either orally or in writing.

Consistent with obligations of due process a copy of the Formal Complaint will be shared with the accused (Respondent) within five (5) working days of receipt by the Title IX Coordinator. The Respondent will be put on notice that retaliation against the Complainant, Alleged Victim, or potential witnesses will not be tolerated and that an investigation will be conducted.

The Respondent will be given an opportunity to provide a written response to the Formal Complaint within fifteen (15) calendar days of his or her receipt of the Formal Complaint.

The Title IX Coordinator and investigators will:

- Identify the correct policies allegedly violated;
- Conduct a thorough, reliable, and impartial investigation including attempts to interview the respondent and witnesses;
- Provide opportunities for a complainant, victim and respondent to present evidence and witnesses;

- Allow the complainant, victim and respondent to have an advisor present. Advisors may not speak for the individual or act as an advocate during the process, but are permitted solely for the purpose of providing guidance to the individual;
- Complete the investigation promptly (within 60 calendar days, unless—owing to the complexity of the investigation or the severity and extent of the alleged conduct--more time is necessary to complete the investigation);
- Present findings based on the preponderance of evidence; and
- Present the findings to the Title IX Coordinator, who will deliver the findings, in writing, within ten (10) working days, to the President or designee.

The President shall accept, reject, or modify the recommendation using a preponderance of the evidence standard and provide a written notification of the decision, along with the findings presented by the Title IX Coordinator, to the Complainant, Alleged Victim, and Respondent within fifteen (15) calendar days of receiving the findings and recommendation from the Title IX Coordinator. Any student of the College who is determined, after an investigation, to have engaged in sexual misconduct or violence in violation of this policy is subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with the College's Student Code of Conduct, and where appropriate or requested by a complaining party, referral to law enforcement.

The respondent, complainant and victim have a right to timely appeal if the party alleges a procedural error occurred, new information exists that would substantially alter the findings, or alleges that the sanction is disproportionate to the violation. If a student wishes to appeal the decision of the President, a letter must be submitted in writing to the Title IX Coordinator who will convene the sexual misconduct judicial review panel. A decision will be issued by the review board within seven days of the conclusion of the panel's review. The panel has the authority to interview the complainant, victim or respondent, as well as witnesses, investigators and the adjudicator in conducting the review. The victim, respondent and complainant cannot be compelled to testify in one another's presence, but will be given the opportunity to hear the testimony of the other party and to respond to such testimony.

In cases involving employees of the College, accused of violating the policy, with or without a recommendation or decision to dismiss, an employee may appeal the decision of the President by submitting notice of appeal to the President. The appeal will then be heard before the Board of Trustees within 10 business days thereafter. Decisions of the Board of Trustees shall be final, unless the employee is subject to a collective bargaining agreement permitting grievance rights. In the case of grievance rights, the affected employee may appeal by using the available grievance process outlined in their contract, but may only receive one hearing before the Board of Trustees. Any recommendation for dismissal made against a faculty member will be in compliance with the processes under the Illinois Public Community College Act, Article III-B Tenure, Chapter 122, 103B-3 (non-tenured faculty) or 103B-4 (tenured faculty).

Amnesty Clause

It is the express Policy of the College that individuals who report incidents in good faith will receive immunity from disciplinary procedures for student code of conduct violations committed by them that become known as a result of investigation by the College, except in the case of egregious misconduct. Any person who knowingly makes a false accusation regarding sexual misconduct or violence will be subject to disciplinary action up to and including expulsion or termination of employment. This is not a legal proceeding, so the College will not award any compensation to a victim.

Policy Statement Addressing Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

HCC complies with Illinois law in recognizing orders of protection by providing the resources to comply with protective orders and assist victims of sexual assault, domestic violence, dating violence, and stalking. Any person who obtains a protective order from Illinois or any reciprocal state should contact the HCC Sheriff’s Deputies who can work with the Vice President of Student Development and Support Services/Title IX Coordinator to coordinate services and assistance to the survivor. This information will be shared with additional persons only at the request of the victim/survivor. Survivors may choose to meet with HCC Sheriff’s Deputies and HCC staff to develop a safety action plan. HCC cannot apply for a legal order of protection, no contact order or restraining order for a victim. HCC can provide resources regarding the necessary processes to individuals seeking a legal order of protection, no contact order or restraining order. HCC may issue an institutional “no trespass” or a “campus no contact” order if deemed appropriate.

Policy Statement Addressing Sex Offender Registration

The Federal Campus Sex Crimes Prevention Act is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. The federal law requires state law enforcement agencies to provide HCC with a list of registered sex offenders who have indicated that they are enrolled or employed at HCC.

HCC Sheriff’s Deputies maintain a list of registered sex offenders who are enrolled or employed at HCC; this list can be requested from HCC Sheriff’s Deputies office located at H114, 815-599-3652.

In addition, a list of all registered sex offenders in Illinois is available at <http://www.isp.state.il.us/sor>. This link is available on HCC’s website.

Policy on Emergency Response and Evacuation Procedures

HCC maintains an Emergency Operations Plan that outlines responsibilities of campus units during emergencies. This plan outlines incident priorities, campus organization and specific responsibilities of particular units or positions.

College units are responsible for developing emergency response and continuity of operations plans for their areas and staff. Campus emergency management provides resources and guidance for the development of these plans.

In conjunction with other emergency agencies, the College conducts emergency response drills and exercises each year, such as table top exercises, field exercises, and tests of the emergency notification systems on campus. These tests, which may be announced or unannounced, are designed to assess and evaluate the emergency plans and capabilities of the institution.

Each test is documented and includes a description of the exercise, the date and time of the exercise, and whether it was announced or unannounced.

The campus publicizes a summary of the emergency response and evacuation procedures via email at least once each year in conjunction with a test (exercise and drill) that meets all of the requirements of

the Higher Education Opportunity Act.

Emergency Evacuation Procedures

The emergency evacuation procedure is tested at least once each year. Students and employees learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. The HCC Sheriff's Deputies do not tell building occupants in advance about the designated locations for long-term evacuations because those decisions are affected by time of day, location of the building being evacuated, the availability of the various designated emergency gathering locations on campus, and other factors such as the location and nature of the threat. In both cases, HCC Sheriff's Deputies staff on the scene will communicate information to students regarding the developing situation or any evacuation status changes.

The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. At HCC evacuation drills are used as a way to educate and train occupants on fire safety issues specific to their building. During the drill, occupants 'practice' drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm.

General Evacuation Procedures

At the sound of a fire alarm or if you are instructed to evacuate, leave your area immediately and proceed to the nearest exit, and leave the building. If you are the first to recognize a fire situation, activate the alarm, evacuate to a safe location using the nearest exit, and dial 911.

1. Remain Calm
2. Do NOT use Elevators, Use the Stairs.
3. Assist the physically impaired. If they are unable to exit without using an elevator, proceed to areas of rescue assistance (at the top of the stairwell landing at the following locations: the second floor of the north and south stairs of the Marvin-Burt Liberal Arts Center and the north stairwell of the Student/Conference Center) and press the "Emergency 911" button on the emergency phone.
4. Proceed to a clear area at least 150 feet from the building. Keep all walkways clear for emergency vehicles.
5. Make sure all personnel are out of the building.
6. Do not re-enter the building.

Severe Weather Evacuation Procedures

The severe weather evacuation procedure is tested at least once each year. Students and employees learn the locations of the severe weather shelters in the buildings and are provided guidance about the direction they should travel when moving to a severe weather shelter.

The purpose of severe weather drills is to prepare building occupants for an organized evacuation due to severe weather. At HCC evacuation drills are used as a way to educate and train occupants on severe weather safety issues specific to their building. During the drill, occupants 'practice' drill procedures and familiarize themselves with the location of severe weather shelters.

Severe Weather Evacuation Procedures

At the sound of an announcement to move to a severe weather shelter or if you are instructed to evacuate, leave your area immediately and proceed to the nearest severe weather shelter.

1. Remain Calm
2. Do NOT use Elevators, Use the Stairs.

3. Assist the physically impaired. If they are unable to exit without using an elevator, proceed to areas of rescue assistance (at the top of the stairwell landing at the following locations: the second floor of the north and south stairs of the Marvin-Burt Liberal Arts Center and the north stairwell of the Student/Conference Center) and press the “Emergency 911” button on the emergency phone.
4. Proceed to a severe weather shelter in your building. Make room for everyone.
5. Do not leave the shelter area until given the “All Clear”.

Shelter-in-Place Procedures –What it Means to “Shelter-in-Place”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance

If an incident occurs and the building you are in is not damaged, stay inside in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belonging (purse, wallet, access card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, seek shelter at the nearest College building quickly. If police or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources, HCC Sheriff’s Deputies, College employees, Freeport Police Department, or other authorities utilizing the College’s emergency communications tools.

How to “Shelter-in-Place”

No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need ever arise, follow these steps, unless instructed otherwise by local emergency personnel:

If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a telephone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel on the scene.

Locate a room to shelter inside. It should be:

- An interior room; above ground level; and without windows or with the least number of windows.
- If there is a large group of people inside a particular building, several rooms maybe necessary.
- Shut and lock all windows (tighter seal) and close exterior doors.
- Turn off air conditioners, heaters, and fans.
- Close vents to ventilation systems as you are able. (College staff will turn off the ventilation as quickly as possible.)
- Make a list of the people with you and ask someone (faculty, or staff) to call the list in to HCC Sheriff’s Deputies so they know where you are sheltering. If only students are present, one of the students should call in the list.
- Turn on a radio or TV and listen for further instructions.
- Make yourself comfortable.

In the event of an emergency, HCC will initiate and provide, without delay, immediate notifications to the appropriate segment(s) of the College community upon the confirmation of a significant emergency or

dangerous situation involving an immediate threat to the health or safety of students, employee and visitors.

If the HCC Sheriff’s Deputies, or designee, in conjunction with other College administrators, local first responders, Public Health Officials and/or the National Weather Service, confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the HCC Community, the HCC Sheriff’s Deputies and Community Relations will collaborate to determine the content of the message and will use some or all of the systems described below to communicate the threat to the HCC Community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population.

HCC will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: HCC Sheriff’s Deputies, Freeport Police Department, and/or the Freeport Rural Fire Department and Emergency Medical Services), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The College has established procedures to notify persons of emergencies using a variety of methods, depending on the emergency. Response to specific emergencies is included in the Emergency Guide, available on the HCC website at the following quick link: <https://highland.edu/wp-content/uploads/2020/12/2021-Emergency-Guide-for-Students-Staff-Faculty.pdf>

If an emergency occurs requiring a building evacuation, such as a fire, either the fire alarm will be activated or voice announcements will be made through the P.A. system. If an emergency occurs which requires sheltering in place, voice announcements will be made via the P.A. system. Staff with two way radios are also assigned to and dispatched to specific areas of the campus to assure that the warning notification has been received and everyone is taking appropriate actions. A text messaging system is also used for some emergency situations. Emergencies not requiring public notification are communicated through two way radio and the campus telephone system. Face to face communication may be used if necessary to communicate emergency notifications to the HCC community.

Students, faculty, and staff are automatically enrolled in emergency text and voice messaging. Community members can opt in through signing up at highland.edu/student-information/text-alerts/.

The content of the message will vary depending on the situation. At a minimum, the messages will describe the emergency, provide basic instructions to the community and will direct them to where they can receive additional information.

Follow-up information will be distributed using some or all of the identified communication systems (except fire alarm).

The local news media may be utilized to disseminate emergency information to members of the larger community, including neighbors, parents and other interested parties. The larger community can also access emergency information via the HCC homepage and/or social media.

If there is an immediate threat to the health or safety of students or employees occurring on campus, an institution must follow its emergency notification procedures. An institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances; however, the institution must provide adequate follow-up information to the community as needed.

All College employees are authorized and trained to initiate emergency procedures. Staff have been assigned and trained to handle specific responsibilities in emergencies including confirming the emergency, making verbal announcements, and assisting individuals with disabilities descend from upper floors. College-wide drills are conducted biannually. Posters with specific emergency procedure information are posted in all classrooms. Staff receives periodic updates at in-service sessions.

Any questions or suggestions regarding response and evacuation or sheltering procedures should be addressed to the Director of Facilities and Safety (Room W101). Input from all campus constituencies is welcome and encouraged.

(HEOA) Notification to Victims of Crimes of Violence

The College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Policy Statement Addressing Preparation of Disclosure of Crime Statistics

The Vice President of Administrative Services prepares this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act.

Campus crime, arrest and referral statistics include those reported to HCC Sheriff's Deputies, designated campus officials and local law enforcement agencies. Illinois law requires prompt, mandatory reporting to the local law enforcement agency by health care practitioners when they provide medical services to a person they know or reasonably suspects is suffering from wounds inflicted by a firearm or is a result of assaultive or abusive conduct. Counseling services staff inform their clients of the procedures to report crime to the campus security on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during such a session. Each year, an e-mail notification is made to all enrolled students that provides the website to access this report. Faculty and staff receive similar notification.

Crime Statistics

Any questions or suggestions regarding campus security should be addressed to any of the following:

- Campus Sheriff's Deputies (Room H114 or 815-599-3652)
- Director of Facilities and Safety (Room W101 or 815-599-3501)
- Vice President, Administrative Services (Room H234, or 815-599-3412)

Input from all campus constituencies is welcome and encouraged.

The following crimes or offenses have been reported to the College or to local police agencies.

On Campus Student Housing Facilities:

HCC does not own or control locations that meet the Clery Act definition of an “On Campus Student Housing Facility”, which is as follows: Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus.
