

# Music (306)

## ASSOCIATE OF ARTS

### About Our Program

This program is designed for the student who plans to transfer to a senior institution to complete a baccalaureate degree. Students enrolled as music majors concentrate in applied music (instrumental and/or vocal), music theory, aural skills, piano proficiency, and music performance.

### Nature of Work and Employment

Following completion of a four-year baccalaureate degree in this major, the most common employment position opportunities are elementary and secondary music educators, church and community music directors, private studio music instruction, and professional performers.

### Special Considerations

The listed coursework is a recommendation only. Students should check with a student advisor for HCC graduation requirements and specific university requirements in this major. Students must meet with an advisor to ensure that the special requirements of the department and institution to which they plan to transfer are met. Colleges and universities have specific requirements for transfer students. NOTE: Piano majors should take two semesters of MUS 110/Applied Music Voice in place of MUS 177 and 178 Class Piano. Vocal majors should consider taking a foreign language if possible.
