BACKGROUND: New policy 4.037, Anti-bullying, was developed by a workgroup of individuals from across the organization who began meeting in May 2021. Its purpose was to ensure policies support a culture of trust, accountability, and respect, and demonstrate HCC’s Cultural Beliefs, Core Values, and Mission. The discussion stemmed from all that has happened nationally, i.e. concerns about racism, political divisiveness, and hate crimes; the increased emphasis on anti-harassment and bullying in colleges, such as Title IX attention on eliminating sexual harassment; and the work at Highland to improve the work culture, including supporting Core Values and Cultural Beliefs and creating a welcoming and inclusive environment.

The workgroup researched best practices and policies in other organizations, particularly higher education, and made the following recommendations: a new Anti-Bullying Policy be adopted (attached), and for clarification and ease of understanding, Policy 4.034 Sexual and Other Harassment be reformatted into three separate policies, which will be considered at the next Policy Review Committee meeting.

The workgroup members consisted of Beth Groshans, Advisor; Christie Lewis, HR Generalist/HRIS Administrator; Steve Mihina, Faculty; Dr. David Naze, VP/CAO; Rhonda Perry, Executive Assistant; Jim Phillips, Dean, Humanities, Social Sciences, and Fine Arts; and Karen Brown, Director, Human Resources.

No additions or revisions have been made since Trustees approved the first reading at their January 25, 2022, regular meeting.

BOARD ACTION: _____

4.037 Anti-Bullying (New)

Bullying is not considered acceptable behavior at Highland Community College. This policy applies to all employees as they interact with students, visitors or each other. Highland supports a culture of respectful academic freedom and freedom of expression and follows the Core Values of Integrity, Compassion, and Respect. Our culture and values do not tolerate bullying and its harmful impact to individuals and the workplace. This policy is not meant to apply to differences of opinion, interpersonal conflicts, and occasional problems in working relations, which are an inevitable part of working life and do not typically constitute workplace bullying.

Definition of bullying: Intentional behavior targeted at an individual or group that is repeated, hostile or offensive, and creates an intimidating and/or threatening environment which produces a risk of psychological and/or physical harm.

Examples of bullying:

Highland considers the following types of behavior examples of bullying:

- Verbal bullying. Slandering, ridiculing or maligning a person or his or her family; persistent name-calling that is hurtful, insulting or humiliating; using a person as the butt of jokes; abusive and offensive remarks.
- Physical bullying. Pushing, shoving, kicking, poking, tripping, assault or threat of physical assault, damage to a person's work area or property.
- Nonverbal bullying. Nonverbal gestures that can convey threatening messages.
- Exclusion. Socially or physically excluding or disregarding a person in work-related activities.
- Cyber bullying. Use of any electronic form, including, but not limited to, the Internet, interactive and digital technologies, or mobile phone, typically by sending messages of an intimidating or threatening nature.

In addition, the following examples may constitute or contribute to evidence of bullying in the workplace:

- Persistent singling out of one person.
- Shouting or raising one's voice at an individual in public or in private.
- Using obscene or intimidating gestures.
- Not allowing the person to speak or express himself or herself (i.e., ignoring or interrupting).
- Personal insults and use of offensive nicknames.
- Public humiliation in any form.
- Constant criticism on matters unrelated or minimally related to the person's job performance or description.
- Public reprimands.
- Repeatedly accusing someone of errors that cannot be documented.
- Deliberately interfering with mail and other communications.

- Spreading rumors and gossip regarding individuals.
- Encouraging others to disregard a supervisor's instructions.
- Manipulating the ability of someone to do his or her work (e.g., overloading, underloading, withholding information, setting deadlines that cannot be met, giving deliberately ambiguous instructions).
- Often assigning menial tasks not in keeping with the normal responsibilities of the job.
- Taking credit for another person's ideas.
- Refusing reasonable requests for leave in the absence of work-related reasons not to grant leave.
- Deliberately excluding an individual or isolating him or her from work-related activities, such as meetings.
- Unwanted physical contact, physical abuse or threats of abuse to an individual or an individual's property (defacing or marking up property).

Dealing with bullying:

If bullying is occurring, employees should address concerns as soon as possible. Highland provides training and tools on how to positively communicate concerns and other supportive resources, such as an Employee Assistance Program (EAP) to employees.

Generally, the first step is to give notice to individuals of their perceived bullying behaviors with a goal of self-awareness and correction. The employee may either address the individual directly or ask for support from a member of the Behavior Intervention Team (List of BIT Members may be found at G:\General\Student Issues and Concerns\Behavioral Intervention Members and Contacts), a supervisor or Human Resources. If the behavior continues or is severe, employees should discuss these situations with a supervisor and/or Human Resources. If you witness someone being bullied, show support for the individual being bullied and ask if they would like your assistance. If comfortable, talk with the bully in a constructive manner about the behavior and its effect on the workplace. Let a supervisor or HR know if it persists.

Related policies: Depending on the circumstances, these other policies may be considered.

**SECOND READING – REVISED POLICY 4.095
LEAVE, VACATION-ADMINISTRATIVE/PROFESSIONAL/CLASSIFIED EMPLOYEES**

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees approves for second reading revised policy 4.095; Leave, Vacation-Administrative/Professional/Classified Employees, which is included in Chapter IV, Personnel, of the policy manual.

BACKGROUND: The recommended change to Policy 4.095 adjusts the policy in accordance with the College’s compensation and classification guidelines. Vacation leave is now based on the type of position rather than the position’s placement on the salary range table. This change does not impact any current employees.

No additions or revisions have been made since Trustees approved the first reading at their January 25, 2022, regular meeting.

BOARD ACTION: _____

4.095 Leave, Vacation—Administrative/Professional/Classified Employees (Revised 6/22/21)

A new employee may be granted earned paid vacation time after completion of six (6) months of employment. New full-time classified and professional employees, ~~placed at range 11 through 32 on the Highland salary range table~~, earn .83 vacation days per month not to exceed ten (10) days per year and will continue accruing at the following rates:

1 year through 5 years of employment 10 days vacation (accrued at .83 days per month)

After 5 years of employment 15 days vacation (accrued at 1.25 days per month)

After 15 years of employment 20 days vacation (accrued at 1.66 days per month)

Full-time administrative employees ~~placed at range 33 and above~~ earn 21 vacation days per year (accrued at 1.75 days per month).

The President will (if employed full-time) earn vacation days as determined by the Board. Carryover days for the President will be determined by the Board of Trustees and included in the Presidential Contract.

Regular part-time employees who work at least 32 but less than 40 hours per week will accrue vacation leave on a pro rata basis to the schedule for full-time employees.

Except for unforeseen emergencies, vacation time should be scheduled as far in advance as possible. Such requests must be routed through the supervisor for approval and submitted through the College's payroll system.

Consideration will be given to all requests for vacation time and the employee's preference will be respected wherever practicable. However, the College reserves the right to deny requests which may jeopardize the operation of the College. Competitive requests for the same time off may be decided on the basis of employee seniority within the institution.

~~An full-time employee may carry over no more than up to five-ten vacation days into the next fiscal year. A regular part-time employee working 32 hours per week but less than 40 may carry over up to eight vacation days. If an employee fails to use the carryover days prior to the end of the next fiscal year, the days will be lost. If an employee carries more than five days into the next fiscal year, the days in excess of five will convert to sick days and will remain on the employee's sick leave account until needed or until the employee retires or terminates employment. If an employee fails to use the five carryover vacation days during the first six months of the next fiscal year, those days will automatically convert to sick leave days and will remain on the employees sick leave account until needed or until the employee retires or terminates employment.~~

Any employee who resigns, retires or is terminated shall be granted full pay for earned, unused vacation time. If more vacation time is used than earned when an employee resigns,

retires or is terminated, it will be deducted from the last pay. If the employee does not have enough earnings available in their last pay check to cover unaccrued, used vacation time, the employee will be expected to make arrangements to repay the College.

**SECOND READING – NEW POLICY 3.102
FINANCIAL AID RETURN OF TITLE IV FUNDS**

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees approves for second reading new policy 3.102, Financial Aid Return of Title IV Funds, which is recommended to be included in Chapter III, Student, of the policy manual.

BACKGROUND: The recommended new Policy 3.102 is required by the Department of Education. The guidelines in the policy cover Title IV Funds such as Pell and SEOG grants, as well as certain loans and other assistance. The College’s Financial Aid department has had these guidelines in place since inception and recently found that a written policy is required.

No additions or revisions have been made since Trustees approved the first reading at their January 25, 2022, regular meeting.

BOARD ACTION: _____

3.102 Financial Aid Return of Title IV Funds (New)

Title IV funds are awarded to students under the assumption that the student will attend school for the entire payment period or period of enrollment for which the assistance was awarded. When a student fails to complete the payment period or period of enrollment, he or she may no longer be eligible for the full amount of Title IV funds the student was scheduled to receive. It is the policy of Highland Community College to determine the amount of earned and unearned portions of Title IV aid as of the date the student ceases attendance in accordance with federal regulations and the Return of Title IV funds as dictated in Volume 5 of the Student Aid Handbook.

In general a student 'earns' federal financial aid in direct proportion to the percentage of the payment period or period of enrollment they complete. For example if the student completes 25% of the payment period or period of enrollment, the student earns 25% of the federal financial aid scheduled to be received. Students completing 60% of the payment period or period of enrollment are considered to have earned 100% of the federal financial aid he or she was scheduled to receive.

R2T4 Withdrawal Exemptions

Students are not considered withdrawn if student successfully completes (effective January 19, 2021):

- All requirements for graduation from his or her program before completing the days or hours in the period that the student was scheduled to complete
- One module that includes 49% or more of the number of days in the payment period
- A combination of modules that when combined contain 49% or more of the number of days in the payment period; or
- Coursework equal to or greater than the coursework required for the institution's definition of a half-time student (6 credits)

Students who have received more aid than what has been earned are notified in writing the amount of unearned aid he or she must repay. In the event the student has received less aid than the amount he or she has earned, the student is eligible to receive those funds. Students are notified in writing of any action needed to accept the funds.

Title IV Funds to be returned

In accordance with federal regulations, unearned Title IV financial aid is returned by Highland Community College in the following order: Direct Unsubsidized Stafford loans, Direct Subsidized Stafford loans, PLUS, Pell grants, FSEOG, Iraq and Afghanistan Service Grants and other Title IV assistance.

Withdrawal Date

The last date of attendance as reported by the instructor is the withdrawal date used in the Return of Title IV funds calculation.

Timeframe for Return of Title IV Aid

The College must return the amount of Title IV funds for which it is responsible, as soon as possible but not later than 30 days after the date of the College's determination that the student withdrew. The College must determine the withdrawal date for a student who withdraws without providing notification to the College no later than 30 days after the end of the payment period.

R2T4 Freeze

HCC does not use a R2T4 Freeze date.

This policy is a Department of Education Title IV financial aid policy, and does not replace the official Tuition Refund policy of Highland Community College.

(2) ~~submission to or rejection of such conduct is used as the basis for decisions concerning the student's grade or the student's selection or participation in any College-sponsored event or activity; or~~

- (3) ~~such conduct has the purpose or effect of substantially interfering with a student's performance or creating an intimidating, hostile or offensive collegiate environment.~~

~~Academic discussion of sensitive content matter included in a course or academic presentation is not meant to be in violation of this policy.~~

3. ~~In the case of sexual harassment of a student or employee by a student, sexual harassment means:~~

- a. ~~Any sexual advance by a student toward an employee; or~~
 b. ~~Any request by a student to an employee for sexual favors from the employee; or~~

~~Any conduct of a sexual nature or any verbal, written, electronic, visual, virtual, or physical conduct based on sex by a student directed toward an employee when such conduct has the purpose or effect:~~

- (1) ~~of substantially interfering with an employee's work performance or creating an intimidating, hostile or offensive environment; or~~

- (2) ~~of influencing either the student's grade or participation in any College-sponsored event or activity; or~~

d. ~~Any conduct of a sexual nature or any verbal, written, electronic (including, but not limited to social media), visual, virtual, or physical conduct based on sex by a student directed toward another student when:~~

- (1) ~~such conduct has the purpose or effect of creating a collegiate environment that is intimidating, hostile or offensive; or~~

- (2) ~~such conduct is continued by the student after the request of the other student to stop such conduct because it is intimidating, hostile or offensive to the other student. The determination of whether the conduct of a student is intimidating, hostile or offensive is made by the College administration.~~

4. ~~In the case of sexual harassment of a third person by an employee or student, sexual harassment means:~~

a. ~~Any unwelcome sexual advances by an employee or student toward a third person; or~~

b. ~~Any request by an employee or student for sexual favors from the third person; or~~

c. ~~Any conduct of a sexual nature or any verbal, written, electronic (including, but limited to social media), visual, virtual, or physical conduct based on sex when:~~

- (1) ~~submission to, or rejection of, such conduct is made either explicitly or implicitly a term or condition of, or is used as the basis for decisions concerning, an individual's participation in a College-related event or activity; or~~

~~(1) — such conduct has the purpose or effect of substantially interfering with an individual’s performance in a College-sponsored event or activity or creating an environment that is intimidating, hostile or offensive. For purposes of this section, a College-related event or activity includes an event or activity on College grounds involving College facilities, staff or students, any College-sponsored event or activity, and any event or activity which bears a reasonable relationship to the College.~~

~~5.~~ Sexual harassment prohibited by this policy includes intentional and/or unwelcome verbal, written, electronic (including, but not limited to social media), visual, virtual, or physical conduct that tends to be severe or repetitive in nature. Some conduct obviously constitutes sexual harassment – such as a threat that a grade or promotion will depend on submission to a sexual advance. But whether particular conduct constitutes sexual harassment will often depend upon the specific context of the situation, including the participants’ reasonable understanding of the situation, their past dealings with each other, the nature of their professional relationship (e.g., supervisor- subordinate, faculty-student, student-student, colleague, etc.) and the specific setting. The inquiry can be particularly complex in an academic community, where the free and open exchange of ideas and viewpoints preserved by the concept of academic freedom may sometimes prove distasteful, disturbing or offensive to some. Some examples of sexual harassment are:

- sexual advances
- touching of a sexual nature
- graffiti of a sexual nature
- displaying or distributing sexually explicit drawings, pictures and written materials (including displaying or distribution through electronic communications and social media)
- sexual gestures
- sexual or “dirty” jokes
- pressure for sexual favors
- touching oneself sexually or talking about one’s sexual activity in front of others
- spreading rumors about or rating other individuals as to sexual activity or performance
- offering employment benefits in exchange for sexual favors
- retaliating or threatening retaliation after a negative response to a sexual advance or after an employee or student has made or threatened to make a harassment complaint.

The terms intimidating, hostile or offensive as used above include, but are not limited to, conduct which has the effect of humiliation, embarrassment or discomfort. Sexual harassment will be evaluated in the light of all of the circumstances.

This policy against harassment shall be applied in a manner that protects the academic freedom and freedom of expression of all parties to a complaint. Academic freedom and freedom of expression include but are not limited to the expression of ideas in the classroom. Instructional freedom will include appropriate latitude for pedagogical decisions concerning the topics discussed and methods used to draw students into discussion and full participation. Classroom

discussion of alternative ideas or controversial points of view on related topics shall not be considered harassment.

Responsibilities:

- A. The College encourages prompt reporting of harassment. It is the express policy of the College to encourage targets of harassment to come forward with such claims.
- B. Management and supervisory personnel, at all levels, are responsible for taking reasonable and necessary action to prevent discrimination or harassment. Supervisors shall be responsible for ensuring compliance with this policy by:
 - 1. Monitoring the workplace environment for signs of sexual or other harassment;
 - 2. Promptly notifying law enforcement where there is reasonable belief that the observed or complained of conduct violates the criminal laws of the State of Illinois. In addition, all such incidents should immediately be reported to the Title IX Coordinator at (815) 599-3531, the EE/AAO at (815) 599-3402, the HRIS Administrator/HR Generalist at (815) 599-3602, or the Coordinator Career Services at (815) 599-3597.
 - 3. Promptly stopping any observed acts of discrimination or harassment and taking appropriate steps to intervene.
 - 4. Promptly reporting any complaint of harassment or discrimination to one of the College investigators.
- C. Each employee is responsible for assisting in the prevention of discrimination and harassment by:
 - 1. Refraining from participation in, or encouragement of, actions that could be perceived as discrimination or harassment.
 - 2. Intervening if they find themselves as a bystander to any inappropriate behaviors on campus and feel it is safe to do so.
 - 3. Promptly reporting harassment or discrimination or suspected harassment or discrimination to management and supervisors before it becomes severe, persistent or pervasive.
- D. In most cases, there is a clear line between a mutual attraction and a consensual exchange and unwelcome behavior or pressure for an intimate relationship. A friendly interaction between two persons who are receptive to one another is not considered unwelcome or harassment. Individuals covered by this policy are free to form social relationships of their own choosing. However, when one person is pursuing or forcing a relationship upon another person who does not like or want it, regardless of friendly intentions, the

behavior is unwelcome sexual behavior. A person confronted with these actions is encouraged to inform the harasser that such behavior is offensive and must stop. You should assume that sexual comments are unwelcome unless you have clear indications to the contrary. In other words, another person does not have to tell you to stop for your conduct to be harassment and unwelcome. Sexual communications and sexual contact with a minor are ALWAYS prohibited.

- E. If you are advised by another person that your behavior is offensive, you must immediately stop the behavior, regardless of whether you agree with the person's perceptions of your intentions.
- F. The College does not consider conduct in violation of the sexual harassment policy to be within the course and scope of employment or education and does not sanction such conduct on the part of any employee, including supervisory and management employees or any employee with authority over another person covered under the sexual harassment policy.

Dissemination of Policy/Procedures:

- A. Information on this policy will be distributed in the College's Policy Manual, College Catalog, the College website, College's General drive under HR-Payroll Resources, and via posters and brochures placed around campus. Periodic notices sent to students and employees about the College's sexual harassment policy will include information about the complaint procedure and will refer individuals to designated offices/officials for additional information.
- B. Students registered at Highland Community College will receive information annually related to this policy. Informational brochures are distributed throughout campus and posters related to sexual harassment and reporting harassment are posted throughout campus.
- C. New employees will be required to read the policy, sign an acknowledgment form that they have read the policy, and complete on-line harassment training. Employees are to complete annual on-line training and are encouraged to report any evidence of sexual or other harassment in the workplace whether they are victims or if they witness such harassment. Supervisors and managers are required to report any known or reported harassment and will be trained to recognize and take action against harassment of any kind.
- D. The sexual misconduct and violence policy 3.27, prohibition of sexual misconduct policy 3.28, non-discrimination policy 4.031, and/or the non-violence policy 4.39 may also apply in some incidents that are reportable under policy 4.034. Refer to those policies for additional guidance related to reporting responsibilities and protocol.

Reports marked "harassment" will be sent confidentially directly to the College's Equal Employment/Affirmative Action Officer and copied to the Title IX Coordinator.

Informal Complaint Process:

- A. Individuals who feel they have been harassed may desire to resolve their complaints informally (i.e., without the formal investigatory process and without disciplinary action being taken against the alleged harasser if allegation is found to be true). Informal complaints are not required to be made in writing. An example of an informal complaint resolution is one where the complainant requests only that an appropriate college official counsel the accused individual to cease and desist the alleged conduct, and requests no other specific action(s) be taken against the accused. The informal complaint process may not be used in the event of a complaint of sexual violence under policy 3.27 Sexual Misconduct and Violence or 4.39 Non-Violence.
- B. Persons making informal complaints of harassment agree and understand that no formal disciplinary action may be taken against the alleged harasser based on the allegation. If the complainant chooses, they may at any time prior to the resolution of the informal complaint amend the informal complaint to a formal complaint. If the alleged offender elects not to participate in resolving an informal complaint, the nonparticipation will not be considered as damaging evidence and will not change or waive the College's responsibility to investigate and to make decisions based on available information.
- C. The investigator may, *if circumstances warrant*, request that the alleged harasser's immediate supervisor counsel them regarding the alleged conduct and/or may recommend counseling, training, education, and/or other non-disciplinary actions be implemented or undertaken. Attempts to resolve an informal complaint will be completed within thirty (30) business days from the date of receipt of the informal complaint by the investigator. If the investigation necessitates additional time to resolve the matter, the complaining party and the alleged harasser will be notified by the

investigator. The complaining party and the alleged harasser will be informed in writing of the outcome of the informal process.

D. The informal process will include:

1. Explanation of the rights and responsibilities of the person filing the report and the procedures for filing a formal complaint;
2. Review and determination of the legal basis of the issues being raised in the complaint;
3. Seeking resolution of the matter;
4. Documenting the resolution or advising the complainant of his/her right to file a formal complaint within 15 days after receipt of the informal process report;
5. Preparing a report on the informal process.

E. The College will attempt to balance the wishes of a complaining party who does not want to file a formal complaint with the College's responsibility to respond to serious allegations and take prompt, appropriate action. A complaining party who chooses not to proceed with a formal complaint shall be asked to state that preference in writing.

Formal Complaint Process:

- A. Formal complaints must be filed within 45 days of the date of the alleged event or incident or within 15 days after attempts to resolve the situation informally have been unsuccessful.
- B. While not required, the College encourages anyone who makes a formal complaint under this policy to provide a written statement setting forth the details below and attaching any pertinent documents, so the College can truly understand the complaint:
 1. identify the alleged offender(s);
 2. identify the details concerning the incident or conduct giving rise to the complaint;
 3. describe the actions or practices deemed harassment and/or discriminatory
 4. provide the dates, times, and locations of the conduct;
 5. include names of any witnesses to the alleged incident(s) or conduct;
 6. whether conduct of a similar nature and has occurred on prior occasions;

7. whether there are any documents which would support the allegations;
 8. what impact the conduct had on the person filing the report; and
 9. action requested to resolve the complaint and prevent future violations of the policy.
- C. The College will investigate formal complaints when complaints are submitted orally or in writing. The College will acknowledge receipt of the formal complaint in writing. Following a decision, the College will notify the complaining party, as well as the alleged harasser, of the appeal process.
- D. **Process for Investigation of Formal Complaints:** The investigator will interview the complaining party and the alleged offender and may review personnel and other records relevant to the complaint. The alleged harasser should have an opportunity to fully explain his or her side of the circumstances and may also submit a written statement if desired or needed. Typically, after the alleged harasser is interviewed, any witnesses identified by either the claiming party or the alleged harasser may be interviewed separately. The investigator may also interview, supervisors and/or any other persons who may have information about the alleged incident. The investigating officer will be entitled to any and all College documents, recordings, videos, emails or information requested by a Request for Information that may pertain to the investigation. If the complaint involves evidence found on the complaining party's or alleged harasser's personal electronic devices, the investigator may request access to or copies of that information. Every attempt will be made to complete the investigation within 10 business days. The investigating officer may extend the time of the investigation by up to 30 additional business days if necessary to complete the investigation.
- E. If necessary, the investigator will notify the supervisor of the alleged offender (if the alleged is an employee) or the Vice President of Student Development and Support Services (if the accused is a student) and/or other appropriate College administrative officials regarding the complaint, in order that appropriate temporary and/or remedial actions may be taken during the investigation (i.e., temporary reassignment, investigatory leave of absence, etc.).
- F. **Right to Dismiss:** The College has the right to dismiss an informal or formal complaint in its entirety for any of the following reasons:
1. The complaining party fails to state a claim;
 2. The claim is moot or under adjudication elsewhere;
 3. The complaining party failed to file the complaint within the time frame allotted;
 4. The complaining party provides a written request to withdraw their formal complaint;

5. The complaining party cannot be located or has not responded to a request for relevant information if the record does not already contain sufficient information;
 6. The complaint is part of a clear pattern of misuse of the process.
- G. The College President or designee shall be informed of every written reported incident of harassment, unless the reported incident involves the President in which case the reported incident will be reported to the Board Chair.

Written Report:

- A. Within ten (10) school days or “a reasonable time” from the date the written complaint was received, the investigator(s) will produce a report on the investigation to the College President or designee, or the Chair of the College’s Board of Trustees if the College President is the alleged harasser, which will include at a minimum the following:
 1. The date the complaint was received;
 2. The complaining party’s name;
 3. The name of each alleged offender and a description of all conduct that gave rise to the complaint (written, signed statements by complaining parties describing relevant events should be obtained whenever possible);
 4. A statement detailing the alleged offender’s response to the allegations (written, signed statements by the alleged offender should be obtained whenever possible);
 5. A statement detailing the scope of the investigation undertaken, including the names of all witnesses interviewed and the results of the interviews. The report may include case information, the investigation plan, case notes, information interview summaries, interview reports, exhibit list, and recommendations.
- B. Within five (5) business days or “a reasonable time” after the investigator’s written report is received, the College President or designee, or the Chair of the Board of Trustees if the College President is the alleged harasser, will evaluate the report of the investigator(s) to determine the validity of the complaint. The President or designee may review any part of the investigatory records not included in or with the report.
- C. The President or designee, the supervisor (if the accused is an employee), or the Vice President, Student Development and Support Services (if the accused is a student), and/or other College administrative officials as appropriate, shall meet with the appropriate party to discuss the findings and recommendations for appropriate action. The President or

designee shall provide a written notification of the decision to the investigator, the alleged harasser and the complaining party.

Disciplinary Action:

- A. If a complaint is found to be valid, appropriate disciplinary action or other appropriate action will be taken. Any College employee who is determined, after an investigation, to have engaged in harassment in violation of this policy will be subject to disciplinary action up to and including discharge or any other appropriate remedial action, consistent with college policy or contractual rights and obligations outlined in appropriate collective bargaining agreements. Any student of the College who is determined, after an investigation, to have engaged in harassment in violation of this policy will be subject to disciplinary action, including, but not limited to, suspension and expulsion, or other appropriate remedial action, consistent with the College's Student Code of Conduct. Any third person who is determined, after an investigation to have engaged in harassment in violation of this policy may be subject to restriction from enrollment in College classes.
- B. This is not a legal proceeding, so the College will not award any compensation to a victim of harassment. Referral to the appropriate law enforcement agencies may be made in appropriate cases.

Knowingly Filing False or Malicious Complaints Prohibited:

**AGENDA ITEM #IX-D-1
FEBRUARY 23, 2022
HIGHLAND COMMUNITY COLLEGE BOARD**

SECOND READING – TUITION

RECOMMENDATION OF THE PRESIDENT: It is recommended that the Board of Trustees approves for second reading an increase in the in-district tuition rate from \$146.00 per credit hour to \$151.00 per credit hour effective Fall semester of 2022. In addition, it is recommended that the Board of Trustees approves for second reading an increase in the senior citizen rate from \$111.00 to \$113.00 per credit hour effective Fall semester 2022. The formulas for figuring out-of-district and out-of-state tuition remain unchanged. These rates will be calculated after Fall 2022 tuition rates at community colleges contiguous to Highland have been determined.

BACKGROUND: For the past three fiscal years, State funding has represented only about 10% of the College's operating budget. Despite this, the College has strived to maintain affordable tuition and a flat overall tax rate. Tuition was not increased in FY20, FY21, or FY22. In addition, expenses have been reduced and transfers from other funds have been utilized to support the budget.

A \$151 tuition rate effective Fall semester of 2022 coupled with our technology fee (\$22) and activity fee (\$18) may be higher than the overall State average in-district tuition and fee rate in FY23, however many colleges have not yet determined tuition and many are discussing increases. The Administrative Rules of the Illinois Community College Board require that the out-of-state tuition rate be set at a minimum of 1.67 times its in-district tuition rate. The out-of-district tuition rate is calculated at 1.5 times the highest in-district rate of our contiguous districts.

Early budget projections that include the prior five-year trend in College actual results (3% reduction in revenues, 2% reduction in expenses) result in the need to utilize the fund balance to offset a deficit budget. Items of significant budget impact are not yet known at this time, such as property tax values, State funding, and medical insurance costs that may require adjustments to current budget projections.

If (as originally planned when Illinois Community Colleges were established) State funding was one-third of the College's revenue sources, then we would only be looking at a per credit hour tuition rate of about \$138.

**ACCEPTANCE OF BID
BUILDING “N” MICROBIOLOGY LABORATORY RENOVATION PROJECT**

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees authorizes acceptance of the low base bid and alternate bid #1 meeting specifications from Rockford Structures of Machesney Park, IL of \$450,100 for the Building “N” Microbiology Laboratory Renovation project. This bid is within the projected budget for the project.

BACKGROUND: The current Microbiology Lab space is part of the original construction of the 1971 Natural Science building. Student workspaces, storage, and preparation areas have become outdated and no longer meet the needs of our students and faculty. The renovated lab space will feature new cabinetry, workspaces, ventilation equipment, student desks, instructor station, an appropriate workspace for student workers or Honors students, and modern audiovisual equipment to maximize the usefulness of the space, while meeting ADA and safety standards. Existing asbestos-containing materials will also be abated as part of the renovation.

This project is funded by Protection, Health, and Safety funds.

The request for bids was advertised and seven bids were submitted.

Bids were opened at 11:00 a.m. on February 8, 2022.

**TREASURER'S REPORT
STATEMENTS OF REVENUE, EXPENDITURES &
CHANGES IN FUND BALANCE**

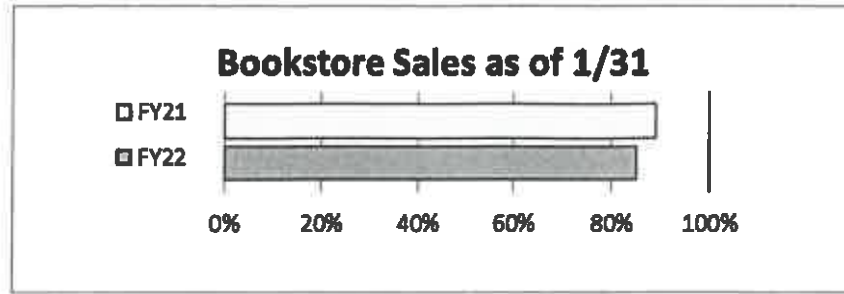

Results as of January 31, 2022

During this period, lost tuition revenue was recorded in the Operating, Auxiliary, and Restricted Purposes Funds using estimated annual enrollment. The total, \$1,181,486, assumes 26,953 unrestricted certified credit hours will be generated in FY22. The calculation will be adjusted for actual enrollment as part of the year-end processes. In order to maintain eligibility for federal Higher Education Emergency Relief Funds, colleges must report activity periodically and remain active within the federal reporting system.

The following charts show the comparison of the FY22 financial results for various items, as labeled, to FY21 results as of January 31. The FY21 bar is the year-to-date results as of January 31, 2021, divided by the actual year-end results for FY21. The FY22 bar is the year-to-date results for January 31, 2022, divided by the annual budgeted amount for FY22.

Operating Fund tuition revenue appears to be about 3% higher than anticipated at this point in time. If Operating Fund tuition revenue is 3% more than budgeted for the fiscal year, that amounts to about \$130,000.

Bookstore sales appear to be about 4% lower than anticipated at this point in time. If sales are 4% less than budgeted for the fiscal year that amounts to about \$18,000.

Auxiliary Fund tuition revenue appears to be about 6% lower than anticipated at this point in time. If Auxiliary Fund tuition revenue is 6% less than budgeted for the fiscal year that amounts to about \$29,000.

**AGENDA ITEM #XII-B-1
FEBRUARY 23, 2022
HIGHLAND COMMUNITY COLLEGE BOARD**

**MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN HIGHLAND
COMMUNITY COLLEGE (BOARD OF TRUSTEES) AND HIGHLAND COMMUNITY
COLLEGE CUSTODIAL AND MAINTENANCE, AFFILIATED WITH IFT/AFT/AFL-
CIO LOCAL 1957 REGARDING CLARIFICATION OF CONTRACT SECTION 18.4**

RECOMMENDATION OF THE PRESIDENT: That the Board of Trustees approves the attached Memorandum of Understanding (MOU) between Highland Community College (Board of Trustees) and Highland Community College Custodial and Maintenance, affiliated with IFT/AFT/AFL-CIO Local 1957 clarifying the intent of Section 18.4 of the contract.

BACKGROUND: There was some misunderstanding of the intent of the language in Section 18.4-Incentive for Obtaining New Skill as negotiated in the most recent Custodial/Maintenance contract. It was decided to follow the decision of the President on the matter and create the attached MOU to outline the details of that decision with the Union's understanding that the topic would be open for negotiations and any clarifications or changes would be included in the next contract upon the effective date.

BOARD ACTION: _____

Memorandum of Understanding
Clarification of Section 18.4 – Incentive for Obtaining New Skill
HIGHLAND COMMUNITY COLLEGE
and
The Highland Custodial and Maintenance Council
Local #1957
IFT/AFT/AFL-CIO

There is unclear and contradicting terminology in Section 18.4 – Incentive for Obtaining New Skill of the current Collective Bargaining Agreement between The Board of Trustees for Highland Community College (hereinafter “Board”) and the Highland Custodial and Maintenance Council (hereinafter “Council”). The parties have held discussions, through representatives of the Board and the Council to discuss clarification of the intent of this section. The Board and Council have reached agreement and enter into this Memorandum of Understanding to implement their agreement.

Therefore, the Board and Council hereby agree to the following clarifications to the Collective Bargaining Agreement in effect between the Board and Council:

1. Section 18.4 – Incentive for Obtaining New Skill: One Groundsperson and one Maintenance Mechanic shall each be paid a \$.60 per hour stipend during normal work hours on days when they spend the majority of their shift performing the duties of the Receiving/Shipping/Warehouse Clerk position due to either an absence of or vacancy in the Receiving/Shipping/Warehouse Clerk position. This stipend shall include days spent being trained or training other employees in the position of Receiving/Shipping/Warehouse Clerk and shall be retroactive to July 1, 2021.
2. Section 18.4 – Incentive for Obtaining New Skill: Assistant Groundsperson, Zac Cline, currently holds two of the four required classifications of the Illinois Pesticide Applicator’s licensure. Since he was hired under the previous Custodial/Maintenance contract which stated that his position would be eligible for an increase in pay “upon obtaining a new skill” and the fact that he already had his current licensure at time of hire, he will not be eligible for an increase in pay at this time. He will, however, be eligible for an increase in pay under wording in the current contract “being certified/licensed” when he obtains the final two required classifications of his licensure.
3. This Memorandum of Understanding will remain in effect until the effective date of the next contract at which time the contract will supersede this agreement.
4. The remainder of the terms of the current Collective Bargaining Agreement shall remain in full force and effect.
5. The representatives for the Board and Council who are signatories to this Memorandum of Understanding each represent that they have obtained ratification of the terms of this extension from their respective Board and membership with the same authority and process as for ratification of a new collective bargaining agreement and they have full authority to enter into this agreement.

6. This Memorandum of Understanding for contract clarification of Section 18.4 shall not constitute and shall not be cited as past practice for any future negotiations for a successor collective bargaining agreement between the parties.
