International Admission Information

An International student is a citizen of a country other than the United States who is authorized to remain in the United States for a temporary period of time, for educational purposes only as a non-immigrant (F1 or M-1 visa). He or she intends to return to his or her own country.

Admission

To be considered for admission to Highland Community College as an international student the following steps must be completed. Only after an admission has been granted will an I-20 be issued.

1. Complete, sign and submit the entire international student application packet.
2. Financial sponsor must complete and sign the Affidavit of Support. This affidavit must be signed and stamped by a bank official and must verify a current account balance with a minimum balance equal to one year of expenses in US dollars.
3. Submit authorized English translations and official certified copies of high school and college transcripts. The documents must indicate completion of the equivalent of secondary school.
4. For consideration into degree programs: Submit TOEFL test scores (with a minimum score of 500 on paper based, 173 on computer based, 61 on internet-based exams). Highland does not accept DuoLingo or any other language test at this time. Documentation of successful completion of another English language program in the United States may be considered on an individual basis.
5. Transfer students (F-1) must submit a copy of current I-20 form, transcripts and a letter from the current school showing dates of enrollment and eligibility to transfer.
6. All documents must be submitted to:

Email: registration@highland.edu

Mail:
Highland Community College
Attn: Admissions
2998 West Pearl City Road
Freeport, IL 61032

All transcripts, letters and other admission materials become the property of Highland Community College. Late applications cannot be considered for admission. Completed applications will be reviewed on the above deadline and, if approved, Highland Community College will issue an I-20 form. The prospective student should follow instructions listed on the I-20 form and make an appointment at the nearest United States Embassy or Consulate to seek approval for an F-1 student visa.
