Click on the term (from the drop down box) that you have most recently attended. Then click Submit.

If you have a program of study declared at the college, it will show up (see arrow by the word degree) . Please click on Generate New Evaluation (see arrow on bottom)

Please click and mark the circle with your mouse to highlight your declared program of study (see arrow). Click on desired term of graduation. Finally, click on Generate Request. Please skip to page 10 of tutorial to see your degree compliance.

If you have not selected a major, you will receive the following message. Please select “What If Analysis” down below

As the student can read, choose between catalog terms of Fall 2003 and Fall 2006, choose the term that best fits you in terms of your attendance here at Highland. Then click Continue

Scroll and select the program/certificate to evaluate how many classes you still need to graduate . Then select Continue

As you can see from the top arrow, please make sure campus is selected as “None”

Under the First Major (depending on your program), select your emphasis. In this example, there is no focus. Then hit Submit

Please select an Evaluation Term based on the most recent term of enrollment (most students will select the top term). Click Generate Request

From the big arrow, please select “Detail Requirements” and click Submit to see your evaluation
